

2017
NM 4-H RODEO FINALS
SEPTEMBER 22-23, 2017 ~ TINGLEY COLISEUM, ALBUQUERQUE, NM

**STOCK CONTRACTOR
BID APPLICATION
DEADLINE TO BID- SEPTEMBER 1, 2017**

The contractor should read the requirements found in the 4-H rule book before applying. It is the intent of the board to maintain the highest quality of stock available for the finals. The information provided by the board is only an estimate based upon the previous year.

RODEO LIVESTOCK

REQUIREMENTS

1. The state board of directors has the right to declare any stock unsatisfactory, and any stock so declared will be taken from the draw.
2. Stock requirements will be based on the number of contestants entered in that event.
3. 4-H rodeos will obtain the highest caliber of stock available.
4. Any stock declared by the state sponsoring group as unsatisfactory must be replaced.

INSPECTION

1. The stock will be inspected on arrival at the site by the Livestock Inspection Committee.
2. Timed event arena director will also inspect stock at least one hour prior to the rodeo.
3. An arena director may declare particular animals unsatisfactory.
4. Upon notification, either written or verbal, stock contractor shall eliminate such animal from competition draw.
5. Payment will be withheld on any stock rejected, and replacement costs shall be the responsibility of the stock contractor.

NUMBERING

1. All rodeo livestock must be numbered. No duplicate numbers shall be permitted including team roping cattle. Any exceptions must be approved by specific arena directors.
2. In timed events, leased calves or steers may be numbered with plastic ear tags.
3. In riding events, painted numbers may be used on tryout stock.

STOCK CONTRACTOR REQUIREMENTS

1. Stock contractor may be required to have enough stock for go-round in each event. The amount of stock is to be based on the number of contestants the previous year, plus ten percent (10%). This ten percent (10%) would be the cut to even up the stock.
2. Calf - Bovine animal requirements are 180-350 pounds. If horned, they are not to exceed two inches in length. (See individual events for weight specifications.)
