## History of the New Mexico 4-H State Rodeo Program

The New Mexico 4-H Rodeo program was started in 1984 wherein 100 youth were enrolled in this project. Today, there are over 300 youth enrolled in the New Mexico 4-H Rodeo project.

There are 10 rodeos planned for the 2018 season; approximately 100 participants will compete at the Finals Rodeo and over \$45,000 in prizes will be awarded to the winners.

Through the years the 4-H Rodeo program has been fortunate to have donors that believed in the program to assist with financial responsibility of providing the wonderful prizes that we will award at the finals in September. The program is also blessed by having a very large number of volunteers that work extremely hard to make this program the huge success that it is. The volunteers are those working at each local rodeo, those individuals willing to serve on the State Rodeo Advisory Committee and the ones that help put on the State Finals Rodeo.

The contestants do contribute towards the funding of these yearend prizes as they pay an \$8.00 award fee at each rodeo they attend during the year. This generates about \$12,000. The balance of approximate \$33,000 is then donated by various businesses around the state of New Mexico.

The 4-Her's involved in rodeo truly show that the 4-H pledge; "I pledge my head to clearer thinking, my heart to greater loyalty, my hands to larger service, and my health to better living, for my club, my community, my country, and my world" is an excellent pledge to live by.

There is a great tradition in the New Mexico 4-H Rodeo program of which all that are associated with, wish to continue.

Through the 4-H Rodeo program children see all aspects of life. You see the big fancy horse trailers and trucks to the small truck and trailer that you wonder how it made it there. But once everyone is parked and set up no one can tell the difference. They are one big family and their goal is to improve the quality of life around them.

With that the New Mexico 4-H Rodeo Program is asking for your financial assistance in helping us to maintain this high quality program that has been improving the quality of many lives for over 20 years.

We greatly appreciate your considering the New Mexico 4-H Rodeo program for your financial support as we continue to “Improve the Quality of Life for Individuals”.
