

# Raised Bed Garden Box

## 2014 Youth Gardening Experience

NMSU ASC Farmington  
300 Road 4063  
Farmington, NM 87401

## Raised Garden Box

Date: 03/2014  
Drawn by:  
Margaret M. West, B.S. M.A.  
Agricultural Research Scientist

**Note:** The actual box used for the project was similar in dimension to this drawing. Three older on-site raised bed boxes were repurposed for this project. The box sizes were used to develop youth gardening skills not for yield of vegetables.
