KEY CONTACTS FOR THE LEARNING GAMES LAB

The NMSU Learning Games Lab is unique in our region. It plays a key role in media development in both the Video and the Multimedia units of Media Productions. Over the past 17 years, the teams have developed many highly acclaimed educational games and videos that have been distributed nationwide.

The enclosed materials will give you additional background on our work. If you would like to visit the lab to see our operation in action just call or visit the web site: www.learninggameslab.org.
