

SOUTHWEST DISTRICT CONTEST

HIPPOLOGY

Hippology is an activity that can make learning fun for 4-H members, by letting them exhibit their knowledge and understanding of equine science and husbandry in a friendly but competitive setting.

The Hippology Contest has three (3) different phases:

- 1) Examination Phase
- 2) Station Phase
- 3) Judging Phase.

I. CONTESTANTS AND ELIGIBILITY

- A. Counties competing in the Hippology Contest may enter two (2) teams of not more than four or less than three members. Teams of less than three members will compete as individuals only. On teams where there are four members, all will compete, but the member receiving the lowest overall score will be automatically declared the alternate. The scores of the alternate will not be included in any of the team totals, but will be considered in making all individual awards. Teams consisting of three members will have no alternate, and all members' scores will count in determining individual and team awards.
- B. Contestants must be enrolled in 4-H during the current year in the county they are representing.

II. THE CONTEST

- A. Examination Phase – 200 points – this phase of the contest will include, but is not limited to:
 - i. Written Exam: All answers will be recorded on the contestant's scantron form, or test sheet. It is the contestant's responsibility to make sure that the exam is correctly filled in and legible. (100 pts)
 - ii. Projected slides to be identified as to breed, color, color pattern, activity. (50 pts)
 - iii. Anatomy which may include external anatomy and anatomy of the foot for novices. Juniors may also be tested on skeleton anatomy. (50 pts)

- B. Station Phase -- 200 points -- this phase will consist of a series of stations or tables where all contestants will respond to the requirements of the station. Students will have a maximum time limit of one (1) hour to complete this portion of the contest. All answers will be recorded on the contestant's scantron form, or test sheet. It is the contestant's responsibility to make sure that the sheet is correctly filled in and legible. Examples of stations which may be used include:
- a. Identification of:
 1. Various types of saddles (actual or pictures) and parts of saddles.
 2. Tack, bits, bridles, horse shoes and parts of shoes. Tools and equipment.
 3. Blemishes and unsoundness's.
 4. Optimal pulse rate, respiration rate and temperature for a horse at rest.
- C. Judging Phase -- 200 points -- contestants will be required to place at least four (4) classes consisting of two (2) halter or conformation classes and two (2) performance classes. Every effort will be made to use the same horses as are being used in the judging contest, with the placing to be simultaneous with contestants in the judging contest, with the same official placing and cuts as apply to the judging contest. In extreme emergency, pictorial, video and/or classes may be used, in which case they would be especially prepared for the event.

III. TIE-BREAKING

All ties overall, individual and team, will be broken using the following sequence:

1. Examination scores, 2. Station scores, 3. Judging scores

Ties within any phase are to be broken using the overall score first and then the same sequence as above. If further tie breaking is needed, the scores at each station, in order may be used.

IV. AWARDS

First through fifth place team and individual ribbons will be awarded. Plaques will be awarded to the high point team and high point individual. Medals will be awarded to the high point team members.
