2017 Rule Changes

Rule Changes:

1. Ribbon Roping will be added to the Novice Age Division.
2. Team Roping- Replace #19 page 43
A roper may rope once as a header and once as a heeler, the run must count for points for both contestants.
The draw option is available for ropers that have not found a partner. If a roper chooses to use the draw option, a partner will be drawn from the respective end, "header or heelers entered in the that event" to complete the team.
Roper's drawn will receive no points or money for that run. This will be a random draw from the ropers entered in that event. If a contestant uses the draw option, they will assume all stock charges.
3. If less than three are either qualified in or compete in the 4-H Rodeo Finals, then a year end buckle will be awarded for 1st place and the prize line will continue on down.
4. Rodeo Waiver must be turned in to the State 4-H Office 15 days prior to the entry of your 1st rodeo. This includes the completion of your rodeo safety course.
