Introduction

The 4-H youth development program is pleased to present the State 4-H Projects and Literature Handbook for 2019-2020. The handbook was prepared to help 4-H members, parents, leaders and agents select the materials and projects that are best suited to each individual and program.

Project packets include project manuals and record forms. Members receive packets by enrolling in the project and requesting a packet from their local County Extension office. Leaders and teachers may also request packets to conduct programs.

Greentops are project descriptions with suggestions for exhibits, community service, and leadership activities. Greentops are available in PDF form on our website: http://nm4h.nmsu.edu and in project packets.

As you look through the handbook, the projects are listed by subject matter area:

- Animal Science
- Horticulture & Agronomy
- Natural Science
- Engineering Science
- Personal Growth & Development
- Creative Arts
- Home Economics
- Consumer Ed & Home Management
- Family Life
- Self-Determined
- Cloverbud Projects
- Additional forms, publications, and audio visuals

The listing of each project details the components of that specific project. If a Leader’s Guide is available it will be listed immediately following the project. Pilot projects are new projects available in draft form.

New Mexico 4-H Vision

Develop all New Mexico youth to become productive citizens and leaders for positive change.

New Mexico 4-H Mission

To create self directing, productive, contributing members of society, 4-H, the youth development program of New Mexico State University Cooperative Extension Service provides youth the opportunities to acquire leadership, citizenship, and life skills. This is accomplished through educational programs for New Mexico youth of diverse backgrounds. New Mexico 4-H programs are based on the Eight Essential Elements of Positive Youth Development.

1. A positive relationship with a caring adult.
2. A safe environment.
3. An inclusive environment.
5. Opportunity for Mastery.
6. Opportunity to see oneself as an active participant in the future.
8. Opportunity to value and practice service for others.

4-H Offers Youth:

- Membership in positive peer groups
- Year-round community clubs
- Special-interest and short-term groups
- School enrichment programs
- Leadership experiences
- Events, camps, and activities
- Project schools, such as livestock, horse and Home Economics
- Academic and event scholarships
There is a detailed section of this Catalog called the New Mexico 4-H Youth Development Curriculum Kits. This section is also available on the 4-H Website at http://nm4h.nmsu.edu. These materials may be used with audiences including public school youth, home-schooled youth, other youth groups and 4-H clubs. Kits must be requested through your County Extension Office.

The New Mexico 4-H Youth Development Program
Youth ages 5-18 can be involved in 4-H programs. County Extension Agents and Program Assistants, Adult Volunteers, Partnership Agency Staff, and others provide the adult leadership.

There are four age categories in New Mexico 4-H. 4-H age is determined by your age as of January 1st of the current program year. Categories are as follows:

### 4-H Membership Requirements
4-H programming in New Mexico addresses the needs and interests of young people. Any boy or girl age 5 through 18 years of age, who enrolls in the 4-H Youth Development Program of the Cooperative Extension Service is a 4-H member. The 4-H program year is October 1 through September 30. The following guidelines address specific age requirements for the 4-H program:

<table>
<thead>
<tr>
<th>Grade*</th>
<th>Cloverbud Kinder, 1st, 2nd</th>
<th>Novice 3rd, 4th, 5th</th>
<th>Junior 6th, 7th</th>
<th>Senior 8th and up</th>
</tr>
</thead>
<tbody>
<tr>
<td>Age as of January 1 of the current 4-H Year (October-September)</td>
<td>5 year olds in Kinder; 6 year olds; 7 year olds; 8 year olds in the 2nd grade</td>
<td>8 year olds in the 3rd grade; 9 year olds; 10 year olds; 11 year olds in the 5th grade</td>
<td>11 year olds in the 6th grade; 12 year olds; 13 year olds in the 7th grade</td>
<td>13 year olds in the 8th grade; 14 year olds; 15 year olds; 16 year olds; 17 year olds; 18 year olds; Youth who are 19 by December 31 of the current 4-H year are not eligible to enroll as a 4-H member.</td>
</tr>
</tbody>
</table>

*These are standard grades based on public school general ages. Exceptions such as home or private schools or youth who have skipped a grade must be determined under the appropriate age.

Youth do not move up in an age group until October of the next 4-H year, therefore, youth participate in summer and fall fair activities as the grade they just completed.

Note: Rodeo age divisions differ slightly from the New Mexico 4-H Member age divisions. Refer to the New Mexico 4-H Rodeo Rule Book 200.R-4 (R-2018) for the State 4-H member age requirements for Sanctioned Rodeos.

### Delivery Modes
Programs can be delivered in any or all of the following 4-H delivery modes:

**Club**
Clubs meet on a regular scheduled basis over an extended period of time during the 4-H program year. The 4-H program year is October-September. Each club plans its own program which includes hands-on education, recreation and business meeting components where members serve in the role of officers and gain key leadership skills. Clubs may form around projects (subject matter topics) or there may be general 4-H clubs with many projects involved.

**Special Interest**
Special Interest groups focus on a project (subject matter topic) outside of school time. Projects can include any of those pursued by club members, in addition to those specifically designed for shorter term involvement. Groups may be formed in a variety of settings: After School Programs, Summer Day Camps, Weekend Retreat, etc. Leadership is provided to the group by adult volunteers, youth and/or paid staff.

**School Enrichment**
School Enrichment groups are conducted during school hours with the support of school administration and the classroom teacher. The group focuses on a subject matter topic. Topics can include any of those pursued by club members, in addition to those specifically designed for shorter time involvement. Adult leadership can be provided by the classroom teacher, County Extension Agent, teen and adult 4-H volunteers, other community volunteers or a combination of these individuals.
Animal Science

**Beef**

**01001 4-H Beef Project** 100.B-11 (R-10)
This project educates 4-Hers on selection, feeding, grooming, showmanship, and record keeping techniques needed to raise and exhibit beef cattle successfully at county, regional, and state fairs.

**Greentop - NM 4-H Market & Breeding Beef Project** 400.F-10 (R-18)
This project summary guide gives tips on project success, activities, and additional resources.

**Beef Halter** 100.B-20
Step by step guide to making a calf halter.

**Beef Advancement Levels** 100.L-7 (R-10)
Comprehensive record of accomplishments related to beef projects and designed to assist 4-Hers in developing the necessary skills for advancement.

**You Be The Judge – Beef Cattle** 100.V-1 (94)
One-page publication on what judges look for and presenting your animal in the show ring.

**Livestock/Animal Record Form** 300.L-5 (R-18)

**01002 NM 4-H Feeder Beef** 100.B-12 (N-12)
This project is designed to teach the principles of the cattle industry and help youth build the foundation for a career related to cattle.

**Greentop - NM 4-H Feeder Beef** 400.B-5 (R-18)
This project summary guide gives tips on project success, activities, and additional resources.

**Livestock/Animal Record Form** 300.L-5 (R-18)

**01003 4-H Meat Goat Project** 100.B-7
This project teaches 4-Hers about selection, management, nutrition, and health of Market Goats. Through active involvement in this project participants will gain the skills necessary to begin and develop a market goat project.

**Greentop - NM 4-H Meat Goat Project** 400.M-11 (R-18)
This project summary guide gives tips on project success, activities, and additional resources.

**Livestock/Animal Record Form** 300.L-5 (R-18)

**01004 4-H Pygmy Goat Project** 100.B-8
The objective of this project is to teach the member about selection, breeding, nutrition, management, showmanship and the health requirements of a Pygmy goat. Members will also learn life skills such as record keeping, show ethics and animal welfare.

**01053 Feeding Your Replacement Dairy Heifer** 100.B-5C (R-14)
Guide designed to help you raise, feed, groom, show, and manage a dairy replacement heifer.

**Greentop - NM 4-H Feeding Your Replacement Dairy Heifer** 400.B-5c (R-18)
This project summary guide gives tips on project success, activities, and additional resources.

**Fitting Dairy Heifers for the Show Ring** 100.B-5D (R-14)
This publication provides tips on equipment, grooming, washing, clipping, trimming hooves/horns and preparation for the show.

**Dairy Showmanship** 100.B-5A (R-14)
This publication covers training your dairy heifer for the show ring and what to expect the day of the show.

**Livestock/Animal Record Form** 300.L-5 (R-18)

**Leader Materials**

**Dairy Cow-Parts I.D.** 200.R-31
Poster-size chart with cutout tags and diagram to allow members to label and learn the parts of a dairy cow.

**Goat**

**01101 Dairy Goat Level 1 – Getting Your Goat** 100.B-9 (N-06)
Whether you own a dairy goat or are just curious about goats, these activities will provide enjoyable, hands-on experiences that focus on the following topics: selecting a goat, recognizing breeds, identifying parts, investigating ruminant digestion, examining diets, keeping goats safe, assessing goat health, creating a management skill timeline, keeping project records, getting ready for a show, fitting a goat for show, showing a goat, practicing sportsmanship, investigating dairy products.

**Greentop - 4-H Dairy Goat** 400.B-9 (R-18)
This project summary guide includes suggestions on completing the project, exhibits to enter, and additional projects 4-H’ers might find interesting.

**Livestock/Animal Record Form** 300.L-5 (R-18)

**01103 4-H Meat Goat Project** 100.B-7
This project teaches 4-Hers about selection, management, nutrition, and health of Market Goats. Through active involvement in this project participants will gain the skills necessary to begin and develop a market goat project.

**Greentop - NM 4-H Market Goat Project** 400.M-11 (R-18)
This project summary guide gives tips on project success, activities, and additional resources.

**Livestock/Animal Record Form** 300.L-5 (R-18)

**01104 4-H Pygmy Goat Project** 100.B-8
The objective of this project is to teach the member about selection, breeding, nutrition, management, showmanship and the health requirements of a Pygmy goat. Members will also learn life skills such as record keeping, show ethics and animal welfare.
Greentop - NM 4-H Pygmy Goat Project  400.P-10 (R-18)
This project summary guide gives tips on project success, activities, and additional resources.

Livestock/Animal Record Form  300.L-5 (R-18)

**Leader Materials**

**Dairy Goat-Parts I.D.**  200.R-32
Poster-size chart with cutout tags and diagram to allow members to label and learn the parts of a dairy goat.

**Dog Care & Training**

**00115 Dog I – Wiggles & Wags**  100.B-10A (N-02)
In this project, youth learn basic skills for dog care and training. Activities include knowing breeds, selecting a dog, knowing the parts of a dog, keeping a dog healthy and groomed, training and much more.

**Greentop – NM 4-H Dog I Project**  00.B-10 (R-18)
This project summary guide includes suggested learning activities, requirements for completing the project and where to find additional information relating to the Dog I project.

**Livestock/Animal Record Form**  300.L-5 (R-18)

**001152 Dog II – Canine Connection**  100.B-20A (N-02)
In this project, youth explore more about dog health, nutrition and care, genetic problems, population control, showmanship, training, ethics and budgeting.

**Greentop – NM 4-H Dog II Project**  400.B-20 (R-18)
This project summary guide includes suggested learning activities, requirements for completing the project and where to find additional information relating to the Dog II project.

**Livestock/Animal Record Form**  300.L-5 (R-18)

**001153 Dog III – Leading the Pack**  100.B-30A (N-02)
In this project, experienced youth investigate responsible breeding, diseases, caring for geriatric dogs, training, service dogs, dog roles and careers related to dogs. This guide provides youth with numerous leadership opportunities.

**Greentop – NM 4-H Dog III Project**  400.B-31 (R-18)
This project summary guide includes suggested learning activities, requirements for completing the project and where to find additional information relating to the Dog III project.

**Livestock/Animal Record Form**  300.L-5 (R-18)

**Dog - Parts I.D.**  200.R-33
Poster-size chart with cutout tags and diagram to allow members to label and learn the parts of a dog.

**4-H Dog Showmanship Scorecard**  300.B-9

**Cats**

**001154 Cat I – Purr-fect Pals**  100.F-30 (N-01)
As youth begin their learning about cats, they engage in activities to select a cat, identify breeds, name the parts of a cat, handle and groom a cat, care for its health and budget for its care.

**Greentop – NM 4-H Cat I Project**  400.F-30 (R-18)
This project summary guide includes suggested learning activities, exhibit and demonstration ideas for completing the project, and leadership and citizenship activities related to the Cat I project.

**Livestock/Animal Record Form**  300.L-5 (R-18)

**001155 Cat II – Climbing Up**  100.F-31 (N-01)
Youth step up their learning through activities on cat senses, the meaning of cat sounds, tricks they can teach a cat, signs of illness and health, emergency situations, feeding, special diets, traveling with a cat and showing it.

**Greentop – NM 4-H Cat II Project**  400.F-31 (R-18)
This project summary guide includes suggested learning activities, exhibit and demonstration ideas for completing the project, and leadership and citizenship activities related to the Cat II project.

**Livestock/Animal Record Form**  300.L-5 (R-18)

**001156 Cat III – Leaping Forward**  100.F-32 (N-01)
Youth explore veterinary procedures, cat body systems, diseases, reproduction, genetics, older cat needs, behavior, showmanship, community laws, animal welfare and personal strengths.

**Greentop – NM 4-H Cat III Project**  400.F-32 (R-18)
This project summary guide includes suggested learning activities, exhibit and demonstration ideas for completing the project, and leadership and citizenship activities related to the Cat III project.

**Livestock/Animal Record Form**  300.L-5 (R-18)

**Leader Materials**

Leader Packets contain project books and supplements identical to those in the member packet.

**Horse**

**01202 NM 4-H Horse Project**  100.B-6 (N-12)
This project will educate 4-H members on horse: behavior, selection, breeds, identification, body parts, colors, fitting, showing, tack, feeding, and facilities. This project is designed for members who have access to a horse(s) to ride.

**Greentop – NM 4-H Horse Project Horse & Horsemanship**  400.B-9 (R-18)
This project summary guide includes suggestions for learning activities, completing the project, leadership activities, citizenship activities, demonstrations, and where to find additional information relating to the NM 4-H Horse and Horsemanship project.

**4-H Horsemanship Advancement Level Score Sheets (1st & 2nd Levels)**  100.R-45

**4-H Horsemanship Advancement Level Score Sheets (3rd & 4th Levels)**  100.R-46

**Livestock/Animal Record Form**  300.L-5 (R-18)

**01204 Horse Science I & Advanced**  100.B-4 (N-04)
This project covers horse behavior, anatomy, reproduction, feed nutrients, health & sanitation, disease, parasites.

**Greentop – NM 4-H Horse Science I & Advanced Projects**  400.B-4 (R-18)
This project summary guide includes suggestions for learning activities, completing the project, leadership activities, citizenship activities, demonstrations, and where to find additional information relating to the Horse Science projects.
Livestock/Animal Record Form 300.L-5 (R-18)

**Leader Materials**

**Poultry**
01251 Poultry Project 4-H Member Guide 100.D-2 (N-16)
This project will introduce you to the poultry management skills and how to raise, feed, care for, groom, show, and manage broilers.

How to Produce Broilers and Roasters for Show (Supplement) 100.D-3 (N-16)
Nutrition and Feeding of Show Poultry (Supplement) 100.D-4 (N-16)
Greentop - New Mexico 4-H Poultry Project 400.D-3 (R-18)
Livestock/Animal Record Form 300.L-5 (R-18)

**Leader Materials**

**Rabbit**
01301 Rabbit I – What’s Hoppening 100.D-7 (N-01)
Youth will discover how to identify breeds, handle and show rabbits, identify rabbit parts and equipment, recognize a healthy rabbit, read a pedigree and kindle a litter.

Greentop – NM 4-H Rabbit I Project 400.D-7 (R-18)
This project summary guide includes suggestions for completing the project, possible exhibits and learning activities, and other projects that might be enjoyed if the 4-H’er enjoyed the Rabbit I project.

Livestock/Animal Record Form 300.L-5 (R-18)
01302 Rabbit II – Making Tracks 100.D-8 (N-01)
Youth will recognize body types, judge and show rabbits, tattoo a rabbit, keep records, identify diseases, administer medication, record growth rates and market products.

Greentop – NM 4-H Rabbit II Project 400.D-8 (R-18)
This project summary guide includes suggestions for completing the project, possible exhibits and learning activities, and other projects that might be enjoyed if the 4-H’er enjoyed the Rabbit II project.

Livestock/Animal Record Form 300.L-5 (R-18)
01303 Rabbit III – All Ears 100.D-9 (N-01)
Older youth will develop a breeding program, design a rabbitry, cull based on production, prevent diseases, develop sportsmanship and develop a marketing plan.

Greentop – NM 4-H Rabbit III Project 400.D-9 (R-18)
This project summary guide includes suggestions for completing the project, possible exhibits and learning activities, and other projects that might be enjoyed if the 4-H’er enjoyed the Rabbit III project.

Livestock/Animal Record Form 300.L-5 (R-18)

**Leader Materials**

Leader Packets contain project books and supplements identical to those in the member packet.

Rodeo Rule Book
200.R-4 (R-18)
New Mexico 4-H rules and regulations related to sanctioned 4-H rodeos, points, and awards.
**Sheep**

**01351 4-H Market Lamb Production** 100.B-14
This project educates 4-Hers on selection, feeding, grooming, showmanship, and record keeping techniques needed to raise and exhibit market lambs successfully at county, regional, and state fairs.

**Market Lamb Showmanship** 100.B-14B
Publication designed to assist 4-H members in preparing lambs for show and show ring presentation.

**Greentop – NM 4-H Market Lamb** 400.B-14 (R-18)
This project summary guide gives tips on project success, activities, and additional resources.

**Lamb Halter** 100.B-21
Step by step guide to making a lamb halter.

**Advancement Level Sheets** 100.L-1
Comprehensive record of accomplishments related to sheep projects and designed to assist 4-Hers in developing the necessary skills for advancement.

**Livestock/Animal Record Form** 300.L-5 (R-18)

**01353 Sheep Production and Management** 100.B-15
The objective of this project is to teach 4-Hers about selection and breeding, management, nutrition, reproduction, and health of breeding sheep. Through active involvement in this project participants will gain the skills necessary to begin and improve a sheep flock.

**Greentop – NM 4-H Sheep Production** 400.B-15 (R-18)
This project summary guide gives tips on project success, activities, and additional resources.

**Livestock/Animal Record Form** 300.L-5 (R-18)

**You Be The Judge – Market Lamb** 100.V-2
One-page publication on what judges look for and presenting your animal in the show ring.

**Leader Materials**

**Sheep Parts I.D.** 200.R-37
Poster-size chart with cutout tags and diagram to allow members to label and learn the parts of a lamb.

**Swine**

**01401 NM 4-H Market Swine** 100.B-13 (N-02)
The objective of this project is to develop the 4-Her’s skills in selection, feeding, preparation, and showing techniques needed to exhibit market swine at the county, state, or regional shows. Members will also learn enterprise skills such as record keeping, management, and animal welfare.

**Advancement Level Sheets** 100.L-8
Comprehensive record of accomplishments related to swine projects and designed to assist 4-Hers in developing the necessary skills for advancement.

**Greentop – NM 4-H Market Swine** 400.B-13 (R-18)
This project summary guide includes suggestions on completing the project, possible exhibits and learning activities, and additional projects that might be enjoyed if the 4-H’er enjoyed the Pet Pals project.

**Livestock/Animal Record Form** 300.L-5 (R-18)

**01451 The Normal Animal** 100.B-16
To introduce you to the fundamentals of animal health, animal diseases, and veterinary medicine.

**Greentop - NM 4-H Vet Science Project** 400.B-16 (R-18)
This project summary guide includes suggested learning activities, requirements for completing the project and where to find additional information relating to the Veterinary Science Projects.

**Record Form** 300.A-7 (R-18)

**01452 Animal Diseases** 100.B-17
To introduce you to the fundamentals of animal health, animal diseases, and veterinary medicine.

**Greentop - NM 4-H Vet Science Project** 400.B-16 (R-18)
This project summary guide includes suggested learning activities, requirements for completing the project and where to find additional information relating to the Veterinary Science Projects.

**Record Form** 300.A-7 (R-18)

**01453 Animal Health & Our World** 100.R-42
To introduce you to the fundamentals of animal health, animal diseases, and veterinary medicine.

**Greentop - NM 4-H Vet Science Project** 400.B-16 (R-18)
This project summary guide includes suggestions on completing the project, learning activities, project resource, and additional projects 4-H’ers might find interesting.

**Record Form** 300.A-7 (R-18)

**Leader Materials**

**Veterinary Science Leader Guide Units I, II, & III** 200.R-42
Companion guide for leaders working with Vet Science Projects. Designed to help in idea and project development.

**Pets**

**01501 Pet Pals** 100.B-22 (N-09)
This project workbook features 14 activities including pet selection, body part identification, pet art, communications, handling, housing and daily needs.

**Greentop – NM 4-H Pet Pals Project** 400.B-2 (R-18)
This project summary guide includes suggestions for completing the project, possible exhibits and learning activities, and other projects that might be enjoyed if the 4-H’er enjoyed the Pet Pals project.

**Livestock/Animal Record Form** 300.L-5 (R-18)

**01502 Scurrying Ahead (replacing Pocket Pets)** 100.B-24 (N-09)
This project workbook helps youth develop planning and decision-making skills, learn about exhibiting, debate pet sayings, create a story, observe pet behavior, promote a product and learn how to feed and care for their pet.
There really is a difference!

4-H has something special to offer when it comes to youth development programs. We’re different from what you think - and we are getting stronger every year!

Did you know that kids who participate in 4-H...

• are involved in more citizenship activities than other youth.
• get better grades than kids who aren’t in youth groups.
• are less likely to be involved in risky behaviors.
• learn life skills that help them become more productive adults.
• tend to take on more leadership roles as kids and as adults.

That’s a big difference we make!
In this project you will learn about soil, plant growth factors, plant characteristics, plant reproduction, and growing and using plants.

Record Form 300.A-7 (R-18)

Land Judging Manual (OK) 100.A-2
This guide, published by Oklahoma State University, outlines the purpose and procedure for land evaluation. Information on using scorecards is also available. May be used as an educational resource, or in training land judging teams.

Leader Materials
Exploring the World of Plants & Soils Leader’s Guide 200.M-10
This guide provides tips for the leader on organizing project meetings, keeping records, and selecting activities. Exercises are outlined as related to each section of the member guide.

Flower Gardening
02102 4-H Flower Gardening Project 100.BH-1U2 (N-09)
This project is a fun way for youth to learn about planting and growing flowers. This project is designed so youth can create and plant their very own flower garden. They will learn to design and plant a flower garden; grow flowers from seed in a garden or in a container; create a floral arrangement and create and complete a science experiment with a flower project.

Greentop – NM 4-H Flower Gardening 400.BH-1U2 (R-18)
This project summary guide provides information on suggested learning activities, projects to exhibit, and leadership and citizenship activities.

Record Form 300.A-7 (R-18)

Landscape Gardening
02201 Landscape Gardening I - IV
Landscape Gardening I - Lawns 100.BH-3U1
This project will teach you to improve an existing lawn or establish a new lawn as appropriate. Youth will also learn record keeping skills.

Record Form 300.A-7 (R-18)

Landscape Gardening II - Front Lawn Area 100.BH-3U2
This project teaches you to landscape your home by making a simple plan, completing a portion of the plan, and keeping a record.

Record Form 300.A-7 (R-18)

Landscape Gardening III - Service & Private Areas 100.BH-3U3
This project teaches you to add outdoor “rooms” to your home using such things as cut-flower gardening, vegetable gardening, small fruit areas, compost piles, and others. Members will plot the area and complete a final plan.

Record Form 300.A-7 (R-18)

Horticulture and Agronomy
Landscape Gardening IV - Trees for Home Grounds 100.BH-3U4
This project teaches you to utilize trees as landscape plants. Members learn the parts and functions of a tree, make a plan including trees, and plant at least two nursery grown trees.

Record Form 300.A-7 (R-18)

Home Vegetable Gardening
02251 4-H Garden Project 100.BH-4 (R-13)
In this project youth will learn how to properly prepare soil for optimum vegetable production in the garden, how to identify various diseases and insects in the garden, to identify technical sources (county agent, Master Gardeners, nursery personnel, books, etc.) for solving garden problems and how to keep records.

Greentop – NM 4-H Garden Project 400.BH-4 (R-18)
This project summary guide includes suggestions for completing the project, learning objectives and other projects of interest.

Record Form 300.A-7 (R-18)

Leader Materials
4-H Garden Project Leader’s Guide 200.M-11 (R-13)
This guide includes information on planning and organizing project meetings, including proposed outlines for each meeting.

Range Plant Management
02300 Range Plant Management At Home on the Range 100.A-15 (N-11)
This manual will help you understand the role that wild lands play in supporting our modern style of life by learning about range lands or lands typically used for grazing.

This project summary guide includes suggestions for completing the project, learning objectives and other projects of interest.

Record Form 300.A-7 (R-18)

Leader Materials
Leader Packets contain project books and supplements identical to those in the member packet.

Forestry
02401 Forestry (A) – Trees 100.A-16
This project teaches youth all about trees, including how they grow, reproduction, identification, and their importance.

Greentop – NM 4-H Trees Project 400.A-16 (R-18)
This project summary guide includes suggestions for completing the project, learning objectives and other projects of interest.

**Natural Science**

**Entomology**

| 03051 & 03052 Insects Rule the Planet: Bugs, Butterflies, Beasts, Beasties | 100.J-10 (R-15) |

Do you like bugs? Did you know there are more different kinds of insects in the world than all other living things put together? Some are quite small; others may be several inches in size. Insects are so numerous that you can study them almost anywhere – in the backyard, the garden, at the lake or in the open field. They are fascinating creatures and you can learn many things by observing, studying, and collecting them in this project.

**Greentop – NM 4-H Entomology I**

| 400.J-1 (R-18) |

This summary guide gives tips on what you will learn, what you need to complete the project, items to exhibit, project references, leadership activities, and citizenship activities.

This summary guide gives tips for participating in activities, demonstrations, contests, and completion of the project.

03206 Muzzleloading Manual 100.F-44 (N-18)
This comprehensive manual includes information on safety, parts and accessories, loading, cleaning and storage of black powder firearms. A section on hunting and ethics is also included.

Greentop – Muzzleloading Project 400.F-4 (R-18)
This summary guide gives tips for participating in activities, demonstrations, contests, and completion of the project.

**Electric Energy**

04151 Electricity 1 – Magic of Electricity 100.I-8 (N-05)
In this project youth explore why certain things insulate from electricity better than others, the effect that magnetism has on various substances, how to build a flashlight, build and test a compass, build an electromagnet and electric motor. The life skills emphasized in this unit are communication and record keeping.

Greentop – NM 4-H Electricity 1 – Magic of Electricity 400.E-101 (R-18)
This project summary guide includes tips for successful completion of the project, learning activities, and suggestions for additional resources.

Record Form 300.A-7 (R-18)

04152 Electricity 2 – Investigating Electricity 100.I-9 (N-05)
Decoding circuit diagrams, sending messages by Morse code and building three-way switches are just a few of the challenges youth will face in this experiential unit. Youth build circuits and test voltages, build a rocket launcher and a burglar alarm as they practice decision making and communication. This unit is designed for youth who understand magnetism, electron flow and circuit design.

Greentop – NM 4-H Electricity 2 – Investigating Electricity 400.E-102 (R-18)
This project summary guide includes tips for successful completion of the project, learning activities, and suggestions for additional resources.

Record Form 300.A-7 (R-18)

04153 Electricity 3 – Wired for Power 100.I-10 (N-05)
Youth build on skills learned in levels 1 & 2 plus learn some new ones. This includes measuring electrical usage, replacing electrical switches and determining electrical loads. Youth will also evaluate different light bulbs and test for electrical power. Important life skills practiced are problem solving, communication, decision making and wise use of resources.

Greentop – NM 4-H Electricity 3 – Wired for Power 400.E-103 (R-18)
This project summary guide includes tips for successful completion of the project, learning activities, and suggestions for additional resources.

Record Form 300.A-7 (R-18)

04154 Electricity 4 - Entering Electronics 100.I-11 (N-05)
This publication explores LED’s and SCR’s, transistors, and the construction of an SCR intruder alarm. It is recommended that before participating in this project that youth complete Electricity 1, 2, and 3. This unit introduces the basics of solid-state electronics and provides hands-on activities that give youth practical experience in understanding modern day electronic equipment. This unit is for the intermediate to advanced learner. Youth will learn how a diode operates, how to assemble a circuit using a transistor, build a “blinky” flasher and an amplifier.

Greentop – NM 4-H Electricity 4 – Entering Electronics 400.E-104 (R-18)
This project summary guide includes tips for successful completion of the project, learning activities, and suggestions for additional resources.

Record Form 300.A-7 (R-18)

**Leader Materials**

This helper guide has a number of exciting group activities that will keep members coming back for more. It includes a variety of group activities that can be organized quickly and conducted with 3 to 15 youth in a group. You will learn how to conduct an electric skillathon, quiz bowls, electric bingo and how to calculate amperage. In addition there is helpful information on working with youth of varying ages. Answers to various activities in the member’s manuals are included.
Engines (Small)

04251 Small Engines 1 – Crank It Up 100.I-13 (N-05)
Youth focus on basic small engine knowledge, study external engine parts, discover tools of the trade and learn about the concepts behind what makes small engines work. They explore the uses of small engines and safety issues.

Greentop – NM 4-H Small Engines 1 – Crank It Up 400.SE-10 (R-18)
This project summary guide includes tips for successful completion of the project, learning activities, and suggestions for additional resources.

Record Form 300.A-7 (R-18)

04252 Small Engines 2 – Warm It Up 100.I-14 (N-05)
Youth explore the internal parts of engines, learn about engine sizes, compression ratios, seasoning their engines and safety issues. Youth also learn about occupational possibilities and about starting their own business.

Greentop – NM 4-H Small Engines 2 – Warm It Up 400.SE-11 (R-18)
This project summary guide includes tips for successful completion of the project, learning activities, and suggestions for additional resources.

Record Form 300.A-7 (R-18)

04253 Small Engines 3 – Tune It Up 100.I-15 (N-05)
Youth tear down and rebuild an engine, use diagnostic tools, research rules and regulations about using small engine machines and select replacement engines.

Greentop – NM 4-H Small Engines 3 – Tune It Up 400.SE-12 (R-18)
This project summary guide includes tips for successful completion of the project, learning activities, and suggestions for additional resources.

Record Form 300.A-7 (R-18)

Leader Materials

Small Engines Helper’s Guide 200.I-13 (N-05)
The Helper’s Guide includes group activities, helpful hints for each activity in the three youth guides and additional small engine project meeting ideas.

04301 The Basics of Oxy-Acetylene Cutting - Introduction Guide for Members and Leaders 100.I-12 (R-16)
The objective of this project is to develop 4-Her’s skills in the cutting and welding of metal after demonstrating their safety skills and becoming familiar with the necessary equipment. This project is the first step in the 4-H welding project curriculum.

Greentop – NM 4-H Oxyacetylene Cutting 400.L-12 (R-18)
This project summary guide includes tips for successful completion of the project, learning activities, and suggestions for additional resources.

Record Form 300.A-7 (R-18)

04302 Basics of Welding 100.I-33 (R-05)
The objective of this project is to develop 4-Her’s skills in arc welding after demonstrating their safety skills and becoming familiar with necessary equipment.

Greentop - NM 4-H Welding 400.L-33 (R-18)
This project summary guide includes tips for successful completion of the project, learning activities, and suggestions for additional resources.

Record Form 300.A-7 (R-18)

04401 Basic Model Rocketry I & II 100.I-26 (R-06)
In this project you are introduced to the world of model rocketry. This project provides instruction on completing level I and skill level II model rockets as well as calculating the altitude the rocket reaches when launched. There are opportunities for leadership development, citizenship, exhibits, and demonstrations. In Unit II you will learn to construct multi-stage rockets and rockets that carry payloads.

Greentop – NM 4-H Basic Model Rocketry 400.I-26 (R-18)
Greentop – NM 4-H Basic Model Rocketry Unit II 400.I-27 (R-18)
These project summary guides include suggested activities for the year as well as leadership and citizenship activities.

Record Form 300.A-7 (R-18)

Leader Materials

Leader Packets contain project books and supplements identical to those in the member packet.

04451 Woodworking 1 – Measuring Up 100.I-23 (N-05)
This curriculum is designed for the beginning woodworker. Youth will develop the same skills that wood-workers use, such as measuring, squaring and cutting a board, driving nails, and using clamps and screws. It is suggested that all youth begin with this guide to be grounded in the basics of woodworking.

Greentop – NM 4-H Woodworking 1 – Measuring Up 400.W-10 (R-18)
This project summary guide includes tips for successful completion of the project, learning activities, and what may be exhibited.

Record Form 300.A-7 (R-18)

04452 Woodworking 2 – Making the Cut 100.I-24 (N-05)
This level is designed for youth who have had experience using basic hand tools, such as a hammer, hand saw, or drill. Youth will measure, cut, sand, drill, use advanced hand and power tools, apply paint, and use bolts and staples.

Greentop – NM 4-H Woodworking 2 – Making the Cut 400.W-11 (R-18)
This project summary guide includes tips for successful completion of the project, learning activities, and what may be exhibited.

Record Form 300.A-7 (R-18)
This curriculum is for the youth who are competent with hand tools and have used power tools. Youth will practice measuring angles, cutting dado and rabbet joints; use a circular saw, a table saw and a radial arm saw; smooth lumber with a hand planer; and learn to sand and stain wood.

Greentop – NM 4-H Woodworking 3 – Nailing It Together

This project summary guide includes tips for successful completion of the project, learning activities, and what may be exhibited.

Record Form

Greentop – NM 4-H Woodworking 4 – Finishing Up

This curriculum is for the wood craftsman who is competent with a table saw, radial arm saw, drill press, and jig saw. Specific woodworking skills include using a router, portable planer and jointer; making a blind mortise and tenon joint; making dovetail joints; and experimenting with adhesives and various wood strippers.
This project will help 4-H youth learn what good citizenship is by learning more about themselves, their families and their friends. By completing this project, 4-H youth will be able to share what they have learned about citizenship with their family and friends.

**Greentop – NM 4-H Exploring Citizenship Unit 1 - My Clubs and Groups**

This project summary guide tells you what you will learn, steps for project completion, what you can exhibit, as well as suggestions for leadership and citizenship activities.

**Leader Materials**

Leader Packets contain project books and supplements identical to those in the member packet.

**Clowning**

The Art of Clowning introduces youth to the opportunities, projects, and fun related to clowning. Youth explore what clowning is and create projects that assist them in becoming a clown.

**Greentop – NM 4-H The Art of Clowning**

This project summary guide provides information on available materials, suggested activities, and other interesting projects.

**Cultural Education**

New Mexico is called The “Land of Enchantment” because of its beautiful scenery, rich culture and unique authentic food. Taking this project, you will appreciate the state’s rich culture and learn about the importance of agriculture in New Mexico. Primary focus is on chile.

**Greentop – NM 4-H New Mexico Flavor**

This project summary guide outlines what can be done in this project at the club, county, district and state levels.

**Greentop – NM 4-H Uniquely New Mexico**

This project continues the introduction to New Mexico’s culture from growing products to eating them. Primary focus is on corn.

**Greentop – NM 4-H New Mexico Flavor**

This project summary guide outlines what can be done in this project at the club, county, district and state levels.

**Greentop – NM 4-H Uniquely New Mexico**

This project summary guide outlines what can be done in this project at the club, county, district and state levels.

**Greentop – NM 4-H Exploring Citizenship Unit 5 - My World**

This project summary guide tells you what you will learn, steps for project completion, what you can exhibit, as well as suggestions for leadership and citizenship activities.

**Leader Materials**

Uniquely New Mexico (New Mexico Flavor II) - Leader Packet. The Guide contains tips on planning and conducting project meetings, as well as New Mexico Trivia and other suggested games.

**Computer**

This Leader’s Guide is included in the Uniquely New Mexico (5502) – Leader Packet. The Guide contains tips on planning and conducting project meetings, as well as New Mexico Trivia and other suggested games.
Leathercraft

06001 4-H Leathercraft Basics Unit I 100.F-9 (N-06)
In Unit I youth will learn the basics of Leathercraft, including preparation, tooling, lacing, and finishing. This project book includes hands on educational activities related to Leathercraft and the leather industry.

Greentop – NM 4-H Leathercraft Basics Unit I 400.F-9 (R-18)
This project summary includes information on project materials, resources, leadership and citizenship activities as well as demonstration ideas.

Record Form 300.A-7 (R-18)

06002 Introduction to Leather Craft Unit II: Beginning Carving and Stamping 100.F-10 (R-16)
In Unit II, youth expand on the skills learned in Unit I and build on them by learning to use a swivel knife and do decorative cuts.

Record Form 300.A-7 (R-18)

06003 Advanced Leather Carving Unit III 100.F-11
Unit III allows youth to advance skills in carving, stamping conventional or stylized designs, background dying, overall one-color dying, designing and assembly.

Record Form 300.A-7 (R-18)

Creative Arts

06013 Advanced Belt Braiding 100.F-22
In this project, youth use skills learned in Units I & II to create belts with 4 to 14 plaits in flats or rounds. Guide includes tips for color, design, and technique.

Greentop – NM 4-H Advanced Belt Braiding 400.F-22 (R-18)
This project summary guide includes an introduction to the project, activities to participate in while completing the project, what articles can be made in the project, and leadership and citizenship activities related to the Advanced Braiding project.

Record Form 300.A-7 (R-18)

Fibercraft

06041 Knitting I & Advanced 100.C-4 (N-07)
This publication introduces members to the basics of knitting including equipment, materials, steps, and stitches. Members follow this guide to complete Knitting I, II, and III.

Greentop – NM 4-H Knitting I & Advanced Projects 400.C-4 (R-18)
This project summary guide includes suggestions for learning activities, completing the project, leadership activities, citizenship activities, exhibits, and other related projects.

Record Form 300.A-7 (R-18)

06051 Embroidery I & Advanced 100.C-1 (R-05)
This publication introduces members to the basics of embroidery including equipment, materials, steps, and stitches. Members follow this guide to complete Embroidery I, II, and III.

Greentop – NM 4-H Embroidery I & Advanced Projects 400.C-1 (R-18)
This project summary guide includes suggestions for learning activities, completing the project, leadership activities, citizenship activities, exhibits, and other related projects.

Record Form 300.A-7 (R-18)

06055 Cross Stitch I & Advanced 100.C-6 (R-05)
This publication introduces members to the basics of cross stitch including equipment, materials, steps, and stitches. Members follow this guide to complete Cross Stitch I, II, and III.

Greentop – NM 4-H Cross Stitch & Advanced 400.C-6 (R-18)
This project summary guide includes suggestions for learning activities, completing the project, leadership activities, citizenship activities, exhibits, and other related projects.

Record Form 300.A-7 (R-18)

06061 Crochet I & Advanced 100.C-3
This publication introduces members to the basics of crochet including equipment, materials, steps, and stitches. Members follow this guide to complete Crochet I, II, and III.

Greentop – NM 4-H Crochet I & Advanced Projects 400.C-3 (R-18)
This project summary guide includes suggestions for learning activities, completing the project, leadership activities, citizenship activities, exhibits, and other related projects.

Record Form 300.A-7 (R-18)
Crochet Patterns 100.C-33 (R-04)
This is a set of patterns to be used in completing the Crochet I & II Projects. Included are: scarf, ribbed crocheted hat, crocheted beret, granny square pillow cover, and decorative pillow.

Record Form 300.A-7 (R-18)

06065 4-H Weaving Pilot Project 100.C-65 (N-16)
Weaving has been a part of New Mexico culture as far back as anyone can remember. This project reviews basic weaving, including history and its relevance to Native Americans, as well as how to complete a woven item.

Greentop - NM 4-H Weaving Pilot Project 400.C-65 (R-18)

Record Form 300.A-7 (R-18)

06071 Needlepoint I & Advanced 100.C-5 (R-06)
This publication introduces members to the basics of needlepoint including equipment, materials, steps, and stitches. Members follow this guide to complete Needlepoint I, II, and III.

Greentop – NM 4-H Needlepoint I & Advanced Project 400.C-5 (R-18)
This project summary guide includes descriptions of learning activities, suggestions and requirements for completing the project, leadership and citizenship activities, possible exhibits and demonstrations to be entered in fairs and other related projects.

Record Form 300.A-7 (R-18)

06081 Macramé I & Advanced 100.C-11
This project will introduce you to the art of tying knots. The information provided in this project is divided into three levels-Macramé I, Macramé II, and Macramé III. Each level will increase the student’s skills and accuracy.

Greentop – NM 4-H Macramé 400.C-11 (R-18)
This project summary guide includes steps to completing each level of the project, items to exhibit, and suggested leadership and citizenship activities.

Record Form 300.A-7 (R-18)

07163 Duded Up Denim 100.L-1 (N-09)
This project recycles old jeans into fun new craft projects. Some items require sewing, but not all. Youth will learn not only how to recycle denim, but to make handy items for themselves and to give as gifts. Some projects included are magnetic boards, vests, picture frames, rugs and many more.

Greentop – Duded Up Denim 400.L-1 (R-18)
This project summary guide includes what to exhibit, and suggested leadership and citizenship activities.

Record Form 300.A-7 (R-18)

Leader Materials

Knitting I & Advanced Leader’s Guide 200.C-20
This guide is designed to help leaders in selecting project levels, choosing activities, and organizing project meetings. Includes special tips and record keeping techniques.

This guide is designed to help leaders in selecting project levels, choosing activities, and organizing project meetings. Includes special tips and record keeping techniques.

Crochet I & Advanced Leader’s Guide 200.C-22 (R-05)
This guide is designed to help leaders in selecting project levels, choosing activities, and organizing project meetings. Includes special tips and record keeping techniques.

Cross Stitch I & Advanced Leader’s Guide 200.C-6 (R-05)
This guide is designed to help leaders in selecting project levels, choosing activities, and organizing project meetings. Includes special tips and record keeping techniques.

Embroidery I & Advanced Leader’s Guide 200.C-21
This guide is designed to help leaders in selecting project levels, choosing activities, and organizing project meetings. Includes special tips and record keeping techniques.
Macrame I & Advanced Leader’s Guide 200.C-11
This guide is designed to help leaders in selecting project levels, choosing activities, and organizing project meetings. Includes special tips and record keeping techniques.

Ceramics
06101 4-H Ceramics Units I-6 100.C-25 (R-07)
This project guide teaches youth about cast and hand-formed ceramics using earthenware, stoneware, and porcelain. Units are: Glazes, Underglazes, Overglazes, Unfired Finishes, Hand-Molded Clay, and Greenware Application.

Greentop – NM 4-H Ceramics Project 400.C-25 (R-18)
This project summary guide includes descriptions of learning activities, activities related to completing the project, possible exhibits and demonstrations to be entered in fairs and other related projects.

Record Form 300.A-7 (R-18)

Jewelry
06111 Jewelry Making Pilot Project 100.J-11 (N-16)
This project will teach color selection and coordination and beading to create a finished jewelry product! Members will also learn about presentation and display of jewelry and review the basics of jewelry making as a business.

Greentop - NM 4-H Jewelry 400.J-11 (R-18)

Record Form 300.A-7 (R-18)

Photography
06201 Photography Basics Level I (Introductory Level) 100.P-1 (N-19)
This project workbook is the introductory manual for photography. This project focuses on Equipment, Lighting, Composition and Skill Building.

Record Form 300.A-7 (R-18)

06202 Controlling the Image Level 2 (Intermediate Level) 100.P-2 (N-08)
This project workbook is the intermediate manual for photography. This project builds on equipment, lighting, composition and other skills learned in Level 1.

Record Form 300.A-7 (R-18)

06203 Mastering Photography - Level 3 (Advanced Level) 100.P-3 (N-16)
This project provides insight on the use of wide-angle and telephoto lenses, filters and special film, light meters, and shooting photos with different light sources.

Greentop – Photography Levels I, II, & III 400.P-1 (R-18)
This project summary includes information on project materials, additional resources, ideas for community service and leadership as well as other projects that may be of interest.

Record Form 300.A-7 (R-18)

06204 Digital Photography (N-06)
This interactive, web-based project allows youth to learn skills related to taking digital photos, using software and sharing. Upon enrollment, youth receive a link to access project resources through the website.

Greentop – NM 4-H Digital Photography 400.P-2 (R-18)
This project summary contains hints for completing your Digital Photography Project, ideas for leadership and citizenship activities and additional resources.

Record Form 300.A-7 (R-18)

Scrapbooking
06206 Let’s Scrapbook! 100.P–10 (N-06)
This project allows youth to explore the world of Scrapbooking and create their own layouts. Instructions are included for getting started, techniques, simple projects and gift books.

Greentop – NM 4-H Let’s Scrapbook! 400.P–10 (R-18)
This project summary includes information on project materials, additional resources, ideas for community service and leadership as well as other projects that may be of interest.

Record Form 300.A-7 (R-18)

Origami
06207 Origami (Pilot) 100. P–11 (N-18)
Origami is the ancient Asian art of folding paper. In this project you will learn about different types of paper and the basic skills necessary to fold a variety of shapes, including a house, piano, crane, ball and four-leaf clover.

Greentop – Origami 400.P–11 (R-18)
This project summary includes information on project materials, additional resources, ideas for community service and leadership as well as other projects that may be of interest.

| 07101 Mix & Match I | 100.C-2 (R-08) |
|---------------------|
| You’ve learned the basic skills of sewing in the Sewing I and II projects. Now, it’s time to make an outfit from a commercial pattern, using woven fabric. Have fun and learn new skills as you sew unique clothing items for yourself or others. |

| Greentop - Mix & Match Unit I | 400.A-1 (R-18) |
|--------------------------------|
| This project summary guide includes suggestions on completing the project, exhibits to enter, and additional projects 4-H'ers might find interesting. |

| Record Form | 300.A-7 (R-18) |

| 07102 Mix & Match II | 100.C-18 (R-09) |
|---------------------|
| Continue learning new skills this year as you complete a more challenging, coordinated outfit. Have fun as you learn to inventory your wardrobe, shop wisely, mend and construct your own one-of-a-kind clothing. |

| Greentop - Mix & Match Unit II | 400.A-2 (R-18) |
|--------------------------------|
| This project summary guide includes suggestions on completing the project, exhibits to enter, and additional projects 4-H'ers might find interesting. |

| Record Form | 300.A-7 (R-18) |

| 07103 Let’s Make a T-Shirt | 100.C-16 |
|-----------------------------|
| In this project youth learn to construct a t-shirt with a rounded neck, set in sleeves, and finished hem. Youth learn to select a pattern, select and prepare fabric, and sew and finish seams. |

| Record Form | 300.A-7 (R-18) |

| Greentop – NM 4-H Let’s Make a T-Shirt | 400.C-16 (R-18) |
|----------------------------------------|
| This project summary guide includes descriptions of learning activities, suggestions and requirements for completing the project, leadership and citizenship activities, possible exhibits and demonstrations to be entered in fairs and other projects related to the Let’s Make a T-Shirt project. |

| 07104 Sew & Go | 100.C-15 (R-07) |
|----------------|
| This project teaches youth sewing skills through the construction on luggage items. Youth will complete at least three of the following items: quick sack, handy duffle, super duffle, or jumbo garment bag. |

| Greentop – NM 4-H Sew & Go | 400.C-15 (R-18) |
|---------------------------|
| This project summary guide includes descriptions of learning activities, suggestions and requirements for completing the project, leadership and citizenship activities, possible exhibits and demonstrations to be entered in fairs and other projects related to the Sew & Go project. |

| Record Form | 300.A-7 (R-18) |

| 07105 Creative Touches | 100.C-30 |
|------------------------|
| This project is targeted to 4-H youth who have completed Sewing I & II or 4-Hers who have developed “intermediate” sewing skills. Projects will be constructed using ready-to-wear clothing. |

| Greentop – NM 4-H Creative Touches | 400.Q-20 (R-18) |
|------------------------------------|
| This project summary guide includes steps to completing the project, items to be exhibited, and suggested leadership and citizenship activities. |

| Record Form | 300.A-7 (R-18) |

| 07106 4-H Serger Sewing | 100.C-23 (R-07) |
|-------------------------|
| In this project you will learn to recognize types of sergers, identify machine parts and what they do, sew seam finishes, apply lace, elastic and ribbing, use a variety of threads, and use serger construction techniques. |

| Greentop – NM 4-H Serger Sewing | 400.C-25 (R-18) |
|----------------------------------|
| This project summary guide includes steps to completing the project, items to be exhibited, and suggested leadership and citizenship activities. |

| Record Form | 300.A-7 (R-18) |

| 07153 Senior Clothing Construction I | 100.C-19 (R-08) |
|-------------------------------------|
| Once finished with the project, the 4-H member will be able to: coordinate a wardrobe for themselves or others, select quality fabrics and use those specific fabrics in making a garment, apply special finishing techniques to garments, and complete a personal body analysis. |

| Greentop – NM 4-H Senior Clothing Construction I – Intermediate | 400.C-3 (R-18) |
|---------------------------------------------------------------|
| This project summary guide includes steps to completing the project, items to be exhibited, and suggested leadership and citizenship activities. |
**Fashion Magic Projects**

The Fashion Magic project series is designed for male and female senior 4-Hers, ages 14-19, who have an interest in clothing and a desire to learn more about successful dressing. These projects offer an alternative to the traditional clothing construction series for the non-sewer, and offer depth and experience to the 4-Her who has a dedicated interest in the field of clothing and textiles. Although a 4-Her may enter only one Fashion Magic option for competition during a given year, options may be repeated if desired. The following options are available:

- **07155 Fashion Magic 1: Wardrobe Planning** 100.C-26 (R-10)
  This project emphasizes getting to know yourself, including your physical appearance, personality, lifestyle and your current wardrobe.
  *The 4-H'er must complete Wardrobe Planning before taking either of the remaining two phases.*

- **Greentop – 4-H Fashion Magic I** 400.C-5 (R-18)
  This project summary guide includes what you do in each level of the project, as well as ideas for leadership and citizenship.

- **Greentop – Fashion Magic Series** 400.C-7 (R-18)
  This project summary guide includes what you do in each level of the project, as well as ideas for leadership and citizenship.

- **07156 Fashion Magic 2: Clothing Coordination** 100.C-28 (R-10)
  This project emphasizes learning and practicing techniques used to coordinate various clothing items to extend your wardrobe.

- **Greentop – Fashion Magic Series** 400.C-7 (R-18)
  This project summary guide includes what you do in each level of the project, as well as ideas for leadership and citizenship.

- **07157 Fashion Magic 3: Fashion Consumerism and Careers** 100.C-27 (N-10)
  This project emphasizes learning how to make wise choices as a consumer of fashion through sound shopping skills and market place savvy. Youth also learn about specific careers in the fashion industry.

- **Greentop – Fashion Magic Series** 400.C-7 (R-18)
  This project summary guide includes what you do in each level of the project, as well as ideas for leadership and citizenship.

- **Greentop – NM 4-H Senior Clothing Construction II – Advanced** 400.C-4 (R-18)
  This project summary guide includes steps to completing the project, items to be exhibited, and suggested leadership and citizenship activities.

- **08157 Fashion Magic 1: Clothing Coordination** 100.C-28 (R-10)
  This project emphasizes learning and practicing techniques used to coordinate various clothing items to extend your wardrobe.

- **Greentop – Fashion Magic Series** 400.C-7 (R-18)
  This project summary guide includes what you do in each level of the project, as well as ideas for leadership and citizenship.

- **07156 Fashion Magic 2: Clothing Coordination** 100.C-28 (R-10)
  This project emphasizes learning and practicing techniques used to coordinate various clothing items to extend your wardrobe.

- **Greentop – Fashion Magic Series** 400.C-7 (R-18)
  This project summary guide includes what you do in each level of the project, as well as ideas for leadership and citizenship.

- **07157 Fashion Magic 3: Fashion Consumerism and Careers** 100.C-27 (N-10)
  This project emphasizes learning how to make wise choices as a consumer of fashion through sound shopping skills and market place savvy. Youth also learn about specific careers in the fashion industry.

- **Greentop – Fashion Magic Series** 400.C-7 (R-18)
  This project summary guide includes what you do in each level of the project, as well as ideas for leadership and citizenship.

**Leader Materials**

- **4-H Clothing Revue Information Sheet (Seniors)** 200.C-4
  Entry form that must accompany garments when entered for judging at the State Fashion Revue. Includes information on contestant, categories, pattern and fabric.

- **4-H Clothing Construction Project Summary** 200.C-7
  This project summary guide includes steps to completing the project, items to be exhibited, and suggested leadership and citizenship activities.

- **Guidelines for Conducting a 4-H Clothing Revue** 200.C-8 (R-07)
  This publication outlines the steps to conducting a 4-H Clothing Revue, including themes, location, committees, and objectives.

  This leader's guide is companion to the Senior Construction Projects. Information is included on organizing project meetings, teaching construction, and completing projects.

- **Guidelines for 4-H Clothing Evaluation** 200.C-12
  This publication provides tips to judges on what to look for and for those setting up revues on how to organize the evaluation of garments.

  This leader’s guide provides information on project requirements, planning meetings, leader responsibilities, and evaluation.

  This leader’s guide covers project requirements, suggested activities, and the 4-H Clothing Revue as related to the Mix & Match Projects.

- **Special 4-H Sewing Projects Leader’s Guide** 200.C-13 (R-07)
  This leader’s guide covers getting started, leader responsibilities, and project planning related to special clothing projects.

- **Quilting**
  - **06030 4-H Quilting** 100.Q-5 (N-07)
    This project is designed to teach 4-Hers basic quilting skills by completing projects ranging from simple to intermediate.

- **Greentop – NM 4-H Quilting** 400.Q-5 (R-18)
  This project summary guide includes steps to completing the project with success, additional resources, and suggestions for other projects.

- **Greentop – NM 4-H Quilting** 400.Q-5 (R-18)
  This project summary guide includes steps to completing the project with success, additional resources, and suggestions for other projects.

- **Greentop – NM 4-H Quilting** 400.Q-5 (R-18)
  This project summary guide includes steps to completing the project with success, additional resources, and suggestions for other projects.

- **Greentop – NM 4-H Quilting** 400.Q-5 (R-18)
  This project summary guide includes steps to completing the project with success, additional resources, and suggestions for other projects.
The 4-H Baking I project is designed for the beginning 4-H baking member wishing to develop the skills necessary to produce a wide variety of basic baked products, including biscuits, muffins, pancakes, and cookies.

Greentop – NM 4-H Baking I

This project summary guide includes information on exhibits, learning activities, and how to get the most from your project.

Record Form

07282 Baking II

The 4-H Baking II project is designed for the 4-H baking member who is continuing to develop skills in measuring, mixing, preparing, and baking basic quick breads and cookies. In this project you will learn how to make quick loaf breads, coffeecake, cornbread, gingerbread, and a variety of cookies.

Greentop – NM 4-H Baking II

This project summary guide includes information on exhibits, learning activities, and how to get the most from your project.

Record Form

07284 Basic Yeast Breads and Rolls

The 4-H Yeast Breads and Rolls Baking Project is designed for youth who have completed Baking 1, 2, and 3. The project teaches advanced skills related to preparing a variety of breads.

Record Form

USDA MyPyramid

Cir. 293 Cake and Mix Recipes for High Altitudes in NM

This booklet contains recipes specially adjusted for baking at high altitudes.

07286 Pastry and Pies

The 4-H Pastry and Pies Baking Project is designed for youth who have completed Baking 1, 2, and 3. The project contains food science experiments that teach basic principles related to making excellent pastry and an assortment of pies.

Greentop – NM 4-H Pastry & Pies

This project summary guide includes information on exhibits, learning activities, and how to get the most from your project.

Record Form

07300 4-H Cakes

This project teaches youth to expand their basic baking skills by creating a variety of delicious cakes.

Greentop – NM 4-H Cakes

This project summary guide includes information on exhibits, learning activities, and how to get the most from your project.

Record Form

07301 Cake Decorating Units 1-3

This project teaches youth the basics of cake decorating, including baking, frosting and design of cakes.

Greentop – Cake Decorating Units 1-3

This project summary guide includes suggestions on completing the project, exhibits to enter, and additional projects 4-H'ers might find interesting.

Record Form

07302 Cake Decorating Units 4-6

This project expands on skills learned in units 1-3 to make creative cakes, including character cakes, cut out cakes and cupcakes.

Greentop – Cake Decorating Units 1-3

This project summary guide includes suggestions on completing the project, exhibits to enter, and additional projects 4-H'ers might find interesting.

Record Form

07303 Cake Decorating Units 7-9

This project expands on skills learned in the earlier units to make leaves and flowers for sprays and borders as well as decorating with fondant.

Greentop – Cake Decorating Units 7-9

This project summary guide includes suggestions on completing the project, exhibits to enter, and additional projects 4-H'ers might find interesting.

Record Form

07304 Cake Decorating Units 10-12

This project expands on skills learned in the first nine units to complete advanced cake decorating projects such as tiered cakes, using molds to make edible decorations and creating your own advanced cake.

Greentop – Cake Decorating Units 10-12

This project summary guide includes suggestions on completing the project, exhibits to enter, and additional projects 4-H'ers might find interesting.

Record Form

Leader Materials

Baking I Leader’s Guide

This project leader guide includes information on planning project meetings, exploring careers, and holding a demonstration day.

Food and Nutrition

07257 Super Snacking

This project introduces the 4-H member to the importance of a nutritious snack for a healthy diet.

Greentop – NM 4-H Super Snacking

This project summary guide includes information on project activities and suggested leadership and citizenship activities.

A Young Person’s Guide to Good Food

This publication teaches members the value of nutritious foods, including the importance of breakfast, choosing appropriate foods, and vitamin functions.

07403 Drying 100.E-12 (N-14)
This project covers the basics of healthy eating and food safety with specific instructions for drying fruits, vegetables and herbs.

Greentop – Drying 400.E-12 (R-18)
This project summary guide provides information on steps to complete the project, items to exhibit, and suggested leadership and citizenship activities.
This project covers the basics of healthy eating and food safety with specific instructions for canning fruits, tomatoes, tomato salsa, pickles and jams and jellies with and without added pectin.

Greentop – Boiling Water  
400.E-16 (R-18)  
This project summary guide provides information on steps to complete the project, items to exhibit, and suggested leadership and citizenship activities.

Record Form  
300.A-20 (R-18)
This is a 4-H Project which encourages youth and older adults to enjoy and learn from one another. In this project members discover attitudes on aging, learn how the media affects their attitudes, spend time with an older person, perform experiments which show how aging affects the senses, become sensitive to the needs of others, widen their circle of friends, and have fun. Generation Celebration is a challenging individual project as well as an excellent club project with many activities for club meetings, leadership development, and community projects. The member’s guide is the project outline. It contains six different chapters with activities and questions to complete. The final chapter encourages the member to hold a “Generation Celebration” where older friends demonstrate skills they learned long ago.

This project summary guide gives tips on what you will learn, exhibits that can be entered, leadership activities, citizenship activities, and demonstration ideas.

This project will help youth become more familiar with the job characteristics of being a babysitter. Youth will gain knowledge on what and who a babysitter is and whether or not being a babysitter is the job for them.

This project summary guide gives tips on what you will learn, exhibits that can be entered, and other projects members might enjoy.

The New Mexico 4-H Program offers a variety of self-determined projects. Self-determined projects are designed for advanced members and should build on skills members learned in earlier projects. If a project has multiple levels, the member should complete all available levels before taking a self-determined project. Self-determined projects are listed below. Please refer to the appropriate section to see what other projects must be completed before signing up for a self-determined project. By definition, these projects are selected and planned by the member and/or leader – additional subject matter materials are not provided by the State 4-H Office. All fair and achievement day exhibits related to self determined projects are required to have a self-determined or other appropriate record form attached.

Visit the State 4-H Website at nm4h.nmsu.edu or contact your County Extension Office to see what Idea Starters are available.
Cloverbud Projects

- Non-competitive, cooperative and individual learning activities as effective educational strategies for 5-8 year olds.
- Self-esteem development and social interaction that view the youth in the context of family and community.
- Exploration of interest and skills in a variety of areas.
- Age appropriate recognition for participants.
- Involvement of parents and/or other caring adults through their 4-H club/group.
- Values ongoing relationships between 5-8 year olds and caring adults and older youth.
- FUN!

---

Cloverbuds is New Mexico’s official 4-H program for 5-8 year olds. Cloverbuds provides experientially based “learn by doing” experiences for this age group. The purpose of this program is to build competency in school-age children by focusing on development of life skills: positive self-esteem, social interaction, decision-making skills, subject-matter knowledge, and physical development. Through development of these skills, children learn to live comfortably with others, express their own feelings safely, love life, and welcome new experiences. The curriculum title indicates 5-8 year olds, but the age range can vary from 6-9. Programming is developmentally appropriate and involves the following principles:

The New Mexico State 4-H Office provides additional publications to assist leaders and members in enhancing the 4-H experience. Many publications are available on the 4-H website or from your local County Extension Office.

New Mexico 4-H Club Leaders’ Handbook (Online only) 200.A-1 (R-15)
This publication is a top-to-bottom outline of what a 4-H leader is and what their responsibilities include. It is a great way to find out, or just review, how important the 4-H adult leader is to both the 4-H members and the 4-H program. This publication includes an overview of the mission and goals of the program, leadership roles as a 4-H leader, yearly planning ideas, club meeting outlines, learning opportunities for youth and leaders, and much, much more!

This book is a great reference for all policies and procedures relating to the New Mexico 4-H program. It is a detailed publication that includes outlines of 4-H age requirements and membership completion, enrollment deadlines for activities, conflict management, liability releases, and many other important 4-H policies and procedures that every 4-H’er, parent and 4-H leader should know.

Event Planning Guide for Leaders 200.A-4 (R-06)
This publication is a one-sheet hand out that outlines the who, what, and where related to the 4-H volunteer. It also includes tasks to be completed by the 4-H office, the 4-H volunteer and which tasks are joint efforts between the two. It is a great reference guide for new and existing volunteers and agents.

4-H Club Secretary’s Book 200.A-6 (R-06)
This publication is for any 4-H secretary whether at the club or county level. It contains membership and attendance forms and also allows the secretary to take minutes and notes directly in the book.

Strengthening Your 4-H Group 200.A-11 (R-06)
This publication provides troubleshooting suggestions for common challenges found in working with groups, specifically those related to 4-H. Challenges addressed include lack of meetings, failure to accept responsibility, lack of qualified leaders, declining membership, lack of member participation, poor operating procedures, lack of older members, lack of community support and lack of money.

A Handbook for 4-H Club Officers 200.A-12 (R-10)
This book outlines the duties and expectations of being a club officer. It also gives suggestions for recreational activities, songs, and tips on running a successful meeting. Additional profile sheets are also available for each of the following offices:
- President
- Vice President
- Secretary
- Treasurer
- Reporter
- Historian
- Parliamentarian
- Song & Recreation Leader
- Council Delegate

New Mexico State 4-H Leadership Handbook 200.A-14 (R-10)
This book is a starting point for the New Mexico 4-H Leadership Team. It includes descriptions of their responsibilities, their expected conduct, how to present an award or introduce a speaker and other vital information that is important to becoming a member of the state leadership team.

Questions and Answers for the NM 4-H Parliamentary Procedure Contest 200.A-25 (R-04)
This book is a great reference for parliamentary procedure teams to review before competition or even just for club officers to review before the start of a new year. It answers some of the frequently asked questions about parliamentary procedure and basic rules of order.

Parliamentary Procedure in Action 200.A-30 (R-06)
This book is a detailed publication of how a business meeting should run and the proper parliamentary procedures that should be used in each order of business. It gives specific examples of all aspects of a meeting including the order of business, the introduction of new business and committees, amendments, nominations, and other parliamentary skills.

4-H Club Bylaws 200.B-1 (R-11)
Template of Bylaws designed for New Mexico 4-H Clubs including all required information. This form is also included in the New Mexico 4-H Program Policies and Procedures Handbook (R 06) 200.A-3. Clubs may add club or county specific regulations. All clubs are required to have bylaws on file with the County Extension Office.

New Mexico 4-H Project Literature Handbook 200.B-3 (R-18)
This handbook includes descriptions of all the New Mexico 4-H Projects, state-wide events, Cloverbud projects, greenjackets that are available, and covers many other topics related to the NM 4-H program. It is a great reference for learning what is involved in certain projects and how to go about obtaining the literature from your county and the New Mexico State 4-H office.

4-H Project Literature Short List 200.B-3B (R-18)
This publication is a list of all of the New Mexico 4-H Projects and the order number for each project packet. It also includes a list of Cloverbud projects and the New Mexico 4-H Youth Development Curriculum Kits. The order numbers are used to complete the 4-H Project Literature Order Form (200.B-3A).

New Mexico 4-H Youth Development 2019-2020 Curriculum Kits 500.A-1 (R-19)
This publication includes a list of all curriculum kits available for check out through your County Extension Office. These materials may be used with audiences including public school youth, home-schooled youth, other youth groups and 4-H clubs. Curriculum Kits cover a variety of subject matter. The newest version of this catalog also includes a listing of audio visual materials available for check out.

Demonstrations and Illustrated Talks 200.D-1 (R-01)
This publication gives tips on how to prepare and give demonstrations and illustrated talks. It includes when to give a presentation, how to construct the outline, body and summary, and a planning guide to an illustrated talk.

Making 4-H Posters 200.D-6 (R-03)
This handout is great for information and tips on how to plan, coordinate, and make a poster. Topics included are planning, materials needed, choosing colors, lettering, revise-re-do-rearrange, and putting it all together.

Taming the Wild Cloverbud 500.A-5 (N-05)
This publication provides information on age appropriate programming for youth 5-8 years old. Information is included on age group characteristics, program parameters and program evaluation.

New Mexico 4-H Cloverbuds 500.A-6 (N-05)
This publication provides information on the New Mexico 4-H Cloverbud Program. Cloverbuds are youth ages 5-8. Information includes volunteer responsibilities, program purpose and structure and planning meetings.
4-H Project Leader Training

This publication is designed to assist volunteers in serving as a leader for a specific project. Information is included on project leader responsibilities, planning project meetings, teaching techniques and suggested activities.

Recreation Rampage

This book is a good reference book for a club recreation leader or any 4-H’er who is planning recreation for an event. It includes getting-acquainted activities, games that require no equipment or supplies, games that require limited equipment and supplies, relays and where to get additional information on recreation activities.

4-H Coloring Pages

These pages are filled with black and white pictures related to 4-H projects. They are great for younger 4-H members who are just getting acquainted with their 4-H projects. These pictures are filled with lots of space to color and provide an artistic approach to many of the New Mexico 4-H projects. Color Pages are available to download from the Forms section of the New Mexico 4-H Website.

Active Teaching – Active Learning: Teaching Techniques and Tools

This publication covers techniques, tools and resources for actively involving youth in the learning process. The Experiential Learning Model is briefly discussed.

Enrollment and Application Forms

Member Enrollment Form

This form is to be completed at the beginning of every year by any member wishing to join New Mexico 4-H program or by existing members wishing to re-enroll for the new 4-H year. It includes the members name, age, county, etc. as well as the projects they will be enrolling in for the year. This form is also available at http://nm4h.nmsu.edu.

Group Enrollment Form

This form is to be completed for all special interest and school enrichment programs and returned to the County Extension Office. It includes information on the program provided, number of youth involved, ethnic breakdown, age breakdown, residential breakdown and number of volunteers involved.

New Mexico State University 4-H Youth Development Volunteer Application Form

This form must be submitted by all adults wishing to serve as volunteer leaders for the New Mexico 4-H Program. It includes contact information, educational/work experience and criminal history.

Disclosure and Consent Concerning Consumer and Investigative Consumer Reports

This form, along with the New Mexico State University 4-H Youth Development Volunteer Application Form, is required to become an approved volunteer in the 4-H Program. This signed Disclosure and Consent form gives the 4-H program permission to perform a criminal background check through HireRight, Inc.

Leader Enrollment Form

This form is to be completed at the beginning of every year by any adult who has completed the Volunteer Application and Screening Process and been accepted as a New Mexico 4-H adult volunteer leader. It asks the leader to indicate what their roles and activities they will partake in throughout the year. There is also a signed agreement by the leader not to discriminate or limit membership because of race, sex, color, national origin, religion, or handicap. This form is also available at http://nm4h.nmsu.edu.

Youth Medical and Liability Release Code of Conduct Contract and Media Release

This form is used at all district and state events that require a 4-H member to travel, stay overnight, or be in the care of a chaperone, adult volunteer or 4-H Extension Agent for an extended period of time. It may also be required by your county office at the time of enrollment. It is signed by the legal guardian of the 4-H member to allow them to participate in the listed activity. It is a precautionary form that must be completed and signed so that, if the need arises, the 4-H member can receive the proper medical treatment. It outlines the rules of New Mexico 4-H events and consequences of breaking these outlined rules. It is signed in acceptance of the outlined rules by both the participating 4-H member and their legal guardian. It should be reviewed by the 4-H’er and parent together. The media release is completed by anyone who does not wish their child to appear in any audio, video, film, or print publication the New Mexico 4-H program might use in research, education and promotional programs. This form is available at http://nm4h.nmsu.edu.

Adult Medical and Liability Release Code of Conduct Contract and Media Release

This form is used at all district and state events that require a 4-H volunteer to travel. It is a precautionary form that must be completed and signed so that, if the need arises, the participant can receive the proper medical treatment. It outlines the rules of New Mexico 4-H and it is signed in acceptance of the outlined rules by the participant. The media release is completed by anyone who does not wish to appear in any audio, video, film, or print publication the New Mexico 4-H program might use in research, education and promotional programs. This form is available at http://nm4h.nmsu.edu.

Project Record Forms

The following forms are available at: http://aces.nmsu.edu/4h/projects/projectforms.html.

Fashion Magic Project Forms (various)

Foods Record Sheet

General Project Record Sheet

Livestock/Animal Project Record Form

New Mexico 4-H Report Form

Self Determined Project Sheet

Shooting Sports Workbook - Archery

Shooting Sports Workbook - Muzzleloading

Shooting Sports Workbook - Pistol

Shooting Sports Workbook - Rifle

Shooting Sports Workbook - Shotgun

State 4-H Portfolio Forms and Information

Record Book Covers

These green hardboard covers are to be used for New Mexico State 4-H Portfolio submissions and may be different from the county record book covers. They are available for purchase through Shop-4H.

27
New Mexico 4-H Profiles
This is the required form for all State 4-H Portfolios. The Profiles includes an information page for name, club, age, etc. and sections for major project activities, leadership, citizenship, other 4-H projects and non-4-H activities. This form is available in Word format on a disk or at http://nm4h.nmsu.edu.

State 4-H Portfolio Formatting Instructions
This document is helpful when completing a State 4-H Record Book. It outlines how to format different sections of the book, how to access them on the disk, which files contain which sections and tips to completing the State Record Book. This form is also available at http://nm4h.nmsu.edu.

Completing a State 4-H Portfolio
It is important for a 4-H member to review this publication before submitting a New Mexico State 4-H Record Book. This document covers many topics dealing with the State Record Book including the benefits of completing your record book, the three main components that comprise the state record book and even what not to use in the book. This form is also available at http://nm4h.nmsu.edu.

How to Write a 4-H Story
This helpful handout gives tips on writing an effective essay to be included in a 4-H Record Book. Tips are provided on structure, content and organizing. Sample questions are also included to help the thought process.

Rodeo Forms
New Mexico 4-H Rodeo Rule Book 200.R-4 (R-19)
This book contains rules and guidelines related to New Mexico 4-H Rodeo. Contents include age requirements, events, points system, safety, officials, etc.

4-H Rodeo Eligibility Certificate and Waiver of Liability 300.R-7 (R-12)
This form must be completed, signed, notarized and submitted to the County Extension Office before a youth may participate in any sanctioned 4-H Rodeos.

General Sanctioned Rodeo Entry Form 300.R-9
This is the general entry form for 4-H Rodeos. It includes youth information as well as events of participation by age and applicable fees. Updated annually.

New Mexico 4-H Rodeo Committee Bylaws (R-13)
Application to Produce a 4-H Sanctioned Rodeo 300.R-3 (R-14)
This application must be completed by any county wishing to host a 4-H Rodeo. Applications are reviewed by the State 4-H Rodeo Board.

Rule Change Request Form
In the event someone wishes to have a rule changed related to New Mexico 4-H Rodeo, they must submit the Rule Change Request Form to the New Mexico State 4-H Office. This form must include the original rule, the proposed change and the justification for the change.

A contestant must compete in his or her age group only.

Youth do not move up in an age group until October of the next 4-H year, therefore, youth participate in summer and fall fair activities as the grade they just completed.

Mindy Turner, Extension 4-H Youth Development Specialist
Sue Miller, Graphic Designer
Agriculture

**Ag Links** Grades 3-5 09002
Agriculture is a contributing factor in our everyday life, but we don’t always know it! This lesson set helps children learn how the products they use every day come from the Ag industry. Kit includes product samples, descriptions and industry information that can be used as a teacher led lesson or a learning game.

**Acres of Adventures** Grades 3-5
Each uniquely themed guide contains 40 hands-on lessons developed in cooperation with curriculum specialists from the National Consortium of State Agriculture in the Classroom programs, Extension 4-H professionals and experts from the field of child-care education. It was designed to increase agricultural literacy among 3rd through 5th grade audiences while developing their understanding, appreciation and application of science through a variety of agriculturally-based activities.

**Acres of Adventure I** 09222
Adults and older youth will enjoy using these lesson plans to quickly engage youth in learn-by-doing agriculture activities within the following thematic units: Plant Detectives, Mystery Agriculture, All about Agriculture, Fast Food Agriculture. (100 pages)

**Acres of Adventure 2** 09223
This group activity guide provides ready to use lesson plans that will quickly involve youth in experiential activities related to the following thematic units: Insect Invasion, Farm Physics, Agriculture Gone Wild, Frontier Living. (100 pages)

**From Egg to Chick** Grades 2-6 09005
Students will learn some basic principles of reproduction. They will incubate, hatch chicks, and observe live chicks. A Teacher’s guide and embryology video is available.
Most young people are fascinated with the wonders of life. This study of the avian egg provides them with an opportunity to understand some of the theories and principles of reproduction. The use of the incubator in the classroom is a very popular project.

**Food, Land and People** K-12 09760
Food, Land and People (second edition) is a curriculum notebook that contains lesson plans for use with youth groups. The program teaches an appreciation for land, agriculture, agricultural products and society. The lesson plans include the background information needed to teach the lesson, materials needed, activities and games that are ready to use. Suggested uses include 4-H Club meeting programs, Agriculture Day events, classroom, after school programs, camps and youth groups.

**Pizza Garden, An Agricultural Adventure** Grades 2-4 09205
Agricultural adventure resource is designed for educators to teach young people about where their food originates from by using something children love to eat: PIZZA! Using 8 lessons and fun hands-on activities, this resource material helps young people learn about nutrition, careers and language arts all at the same time.
Animal Science

**Horse Education**
The horse project manuals provide an interactive curriculum for youth that is hands-on and grounded solidly in subject matter. With the addition of new content to the series, youth will be able to develop life skills while exploring horse science.

**Horse Project Outcomes**
Youth will gain a greater understanding of key subjects within horse science. Youth will demonstrate enhanced life skill development.

**Horse Education - Level 1 – Giddy Up & Go (40 pages) Grades 3-4** 09207a
Focuses on the introductory basics and familiarizes youth with horses. Activities include horse body shop, designing the perfect horse, paper dolls, human cues and group relay knot.
- Parts of the Horse
- Colors & Markings
- Designing the Perfect Horse
- Horse & Herd Behaviors
- Safety Around Horses
- Knot Tying
- Dressing for the Barn

**Horse Education - Level 2 – Head, Heart and Hooves (40 pages) Grades 5-6** 09207b
Youth learn about horse behavior, detailed anatomy and basic care practices for horses. Activities are pony up to the salad bar, body condition scoring, bad hair day, and long in the tooth.
- Conformation
- Horse Skeleton
- Feeding & Grazing
- Grooming
- Hoof Structure
- Dental Care

**Horse Education - Level 3 – Stable Relationships (40 pages) Grades 7-9** 09207c
Keeping horses healthy and teaching basic care to youth are the heart of this activity guide.
- Horse Health
- Breeding
- Genetics
- Diseases and Parasites
- Fencing and Pastures
- Finances of Showing

**Horses Helper’s Guide (40 pages) For Adult and Teen Leaders**
Interactive group activities help leaders make knowledge come to life for youth. Special tips for leaders to help youth acquire life skills. There is added attention to safety and subject matter throughout the series. Included in each kit.

**Pets – Level 1 – Pet Pals (36 pages) Grades 2-4** 09103
From gerbils to snakes, frogs to ferrets, youth will find this action packed activity guide makes learning about pets fun and exciting. Youth learn about pets through activities such as selecting a pet, identifying pet parts, pet art, handling pets, providing the right kind of housing and meeting the daily needs of pets.

**Pets – Level 2 – Scurrying Ahead (36 pages) Grades 5-7** 09104
Youth develop planning and decision making skills as they practice feeding and caring for their pets, observing pet behavior, exhibiting pets, debating pet sayings and creating a story about a pet.

**Pets – Level 3 – Scaling the Heights (36 pages) Grades 8-12** 09105
Through these activities youth explore genetics, pet issues, reproduction, caring for newborns, starting a business and entering exciting careers. *Scaling the Heights* provides several opportunities for you to develop your leadership skills as you strive to complete the Scaling the Heights Achievement Program.

**Pets – Pet Helper’s Guide (36 pages) Included with each of the level kits.**
Project helpers will find many fun and engaging group games and activities to further expand the pet project experience for youth. In this guide you’ll also find helpful hints about characteristics of youth, life skill development, teaching experientially, project meeting ideas as well as answers to many of the activities in the youth guide.

**Veterinary Science**
This curriculum emphasizes disease prevention and the veterinarian’s role in protecting animal and public health. Youth will practice veterinary science project skills as they learn to be knowledgeable and responsible animal caregivers. Overall, the curriculum will stimulate interest in veterinary and animal science careers.

**Life Skill Outcomes**
- Learning to learn
- Acquiring and evaluating information
- Communication
- Character development
- Disease prevention

**Veterinary Science Project Outcomes**
- Develop knowledge and skills regarding Animal Health management
- Disease prevention
- Body systems
- Behavior
- Nutrition
- Career readiness
Veterinary Science - Level 1 – From Airedales to Zebras (40 pages) Grades 3-5 09209a
This innovative series of three youth activity guides will lead youth through an exploration of the exciting world of veterinary science. The first guide introduces youth to the normal animal, basic anatomy and systems, elementary principles of disease and careers with animals.

The Normal Animal
• A Breed Apart
• Basic Needs
• Fur and Feathers as Friends-and More
• Get Growin’
• Systems Check
• Body Language, Animal Style
• What’s for Lunch?

Diseases, Pests and Problems
• Pet Safety Patrol
• Not a Shot in the Dark
• Better Safe than Sick

Investigating Careers
• Jack of All Trades
• Cool Tools!
• Furry Friends in Fact, Fiction and Film
• Here’s the Story

Veterinary Science - Level 2 – All Systems Go! (40 pages) Grades 6-8 09209b
Youth will examine health and disease topics, normal and abnormal conditions and veterinary careers.

The Normal Animal
• Files for the Future
• All for One and One for All!
• All Stressed Up with No Place to Go
• The Defense Department

Diseases, Pests and Problems
• Biosecurity Blanket
• What’s Eating You?
• Quality Counts!
• Not-So-Secret Agents
• When Good Feeds Go Bad

Investigating Careers
• Playing the Part
• Not Special K, Special T!
• You Do the Math
• A Shadow of Your Future Self
• Where Do You Stand?

Veterinary Science - Level 3 – On the Cutting Edge (40 pages) Grades 9-12 09209c
The guide involves youth in in-depth investigation of normal and abnormal systems, preparation for college and exploration of the diversity of the veterinary profession.

The Normal Animal
• Bond, Animal Bond
• TherioWHAT?!
• May the Best Gene Win
• Swell Cell Organelles
• Behave!

Diseases, Pests and Problems
• Have You Lost Your Marbles?
• It’s a ZOO Out There!
• Could an Apple a Day Keep the Vet Away?
• It’s Raining Cats and Dogs

Investigating Careers
• Your Future is in Your Hands
• What Else is There?
• Getting Technical
• All in a Day’s Work

Veterinary Science Helper’s Guide (40 pages) For Adults and Teen Leaders
The Veterinary Science Helper’s Guide provides supplemental materials that help adult volunteers facilitate learning situations for various ages of youth. Numerous group activities are included to help youth develop essential life skills as they pursue their interest in veterinary medicine.

Mastering Project Skills
• Show What You Know
• For the Record
• Demonstration Derby Day

Developing Character
• Vets helping Pets…and More
• What Makes YOU So Special?!
• Fact or Fiction
• The Truth About Cats and Dogs

Investigating the Profession
• My Word!
• Surgeon, Pharmacist, Accountant, Boss
• On the Road Again
• Legal Beagles
• Is There a Doctor in the House?
• Looking for Answers
Cloverbuds (5-8 Year Old Programming)

Cloverbuds: The 4-H Discovery Program  Grade K-3
Cloverbuds curriculum is neatly packaged in sets (Leader-Teacher and Student booklets) that can be used individually or by selecting a few activities from each booklet. Topics include:

Adult and teen helpers enjoy involving youth grades K-3 in learn-by-doing activities. Horses, goats, rabbits, pets, beef cattle, pigs, poultry and dairy cattle are explored. Youth learn about the care and feeding of farm animals, how to be safe around animals, identify species, products, terms and animal body parts. Worksheets and games are included.

Exploring Farm Animals (36 pages)  Grade K-3  09120
Adult and teen helpers enjoy involving youth grades K-3 in learn-by-doing activities. Horses, goats, rabbits, pets, beef cattle, pigs, poultry and dairy cattle are explored. Youth learn about the care and feeding of farm animals, how to be safe around animals, identify species, products, terms and animal body parts. Worksheets and games are included.

Exploring the Treasures of 4-H – Fun, Friends and Learning (36 pages)  Grades 2-4  09220
This youth activity guide provides a “treasure hunt” for youth to explore the joys of 4-H by discovering their interests, potential 4-H projects and finding 4-H where they live with the guidance of parents or other adult helpers.

Exploring the Treasures of 4-H – Helper’s Guide (124 pages)  Included in each kit.
This activity-packed group guide is designed for teachers, volunteer leaders and other educators. The activities help groups of youth explore the many treasures of 4-H. Activities are organized into eight categories linked to national education standards with suggestions provided for continued study in related 4-H projects.
Computers

Newbie Know-How Getting Started with Computers (40 pages) Grades K-12 09300
For beginners with little or no experience with computers, this guide is an introduction to hardware, software and applications and is supported by an interactive website. Youth use this activity guide to learn all about computers – how they work, what their components are, use of features, programs and more. This piece can also be used as a lesson plan by teens to teach others about technology and computers.

1 – Inside the Box + CD Building and Repairing Computers (40 pages) Grades 3-12 09301
Youth build and repair computers, identify the components inside a computer, learn to enhance connectivity potential and explore how components work together. Youth learn-by-doing how to maintain peripherals, upgrade and create connections, install operating systems and create a “dream machine.” The CD included with this guide provides hands-on practice with an operating system as youth learn new skills.

Energy

Electric Excitement – Level 1 – Magic of Electricity (36 pages) Grade 4-5 09110
Energize and electrify youth with Electric Excitement, the 4HCCS Electric Energy Series. Electricity is everywhere. Youth explore why certain things insulate from electricity better than others, the effect that magnetism has on various substances, how to build a flashlight, build and test a compass, build an electromagnet and electric motor.

This Project Book Includes Chapters On:
• Getting Started
• Electricity on the Move
• Magnets in Motion
• Current Attractions

Electric Excitement – Level 2 – Investigating Electricity (36 pages) Grade 6-7 09111
Decoding circuit diagrams, sending messages by Morse code and building three-way switches are featured. Youth build circuits and test voltages, build a rocket launcher and a burglar alarm as they practice decision making and communication. This unit is designed for youth who understand magnetism, electron flow and circuit design.

Electric Excitement – Level 3 – Wired For Power (36 pages) Grade 8-9 09112
Youth build on skills learned in levels 1 and 2 plus learn some new ones, such as measuring electrical usage, replacing electrical switches and determining electrical loads. Youth also evaluate different light bulbs and test for electrical power. These materials promote technical and scientific literacy while teaching communication and decision-making life skills.

Electric Excitement – Level 4 – Entering Electronics (40 pages) Grade 10-12 09113
Youth learn about diodes, transistors, LED’s, photocells, SCR’s, IC’s and amplifiers. This guide is designed for intermediate to advanced learners. An understanding of DC circuits, voltage, amperage, current flow, polarity and some soldering is needed.

2 – P2P – Peer to Peer Creating and Managing Networks (40 pages) Grades 5-12 09302
Advanced youth go in depth with this guide as they discover how to create and manage networks. They explore the issues of responsible computer use, and make decisions about network management, security issues and trouble shooting.

3 – Teens Teaching Tech Advice for Unplugged Leaders and Adult Helpers (40 pages) Grades 8-12 09303
Older teens or adults will find this Helper’s Guide essential for learning how to teach others about computers. Teens enhance their leadership skills while organizing a computer club or technology team, establishing a computer lab and more! For additional teaching resources, see Newbie Know-How (09300).

Electric Excitement – Electric Helper’s Guide (36 pages) Included with each of the level kits.
This helper guide has a number of exciting group activities that keep members coming back for more. It includes a variety of group activities that can be organized quickly and conducted with a group of three to fifteen youth. Youth learn how to conduct an electric skill-a-thon, quiz bowls, electric bingo and how to calculate amperage.

The Power of the Wind Youth Guide Grades 6-8 09221
The Power of the Wind activities involve young people in the engineering design process as they learn about the wind and its uses. Youth Guide.

The Power of the Wind Facilitator Guide
The Power of the Wind activities involve young people in the engineering design process as they learn about the wind and its uses. Facilitator’s Guide.
### Entomology

**Teaming with Insects**  
**Level 1** Grades 3-5  
**Level 2** Grades 6-8  
**Level 3** Grades 9-12  

This Entomology curriculum comes with a Facilitators Guide in each kit which includes National Science standards. Level 1 includes learning about insect form and function. Level 2 includes learning how to make insect collection tools and insect diversity. Level 3 activities include research and uses the scientific method.

**Entomology Helper’s Guide (Included with each of the level kits.)**  
This guide provides practical tips, 14 group activities and supplementary information. Youth compare the leaping abilities of humans and insects, rear and release monarch butterflies, explore how insects transmit disease, study insect behavior, learn insect words, participate in a night safari, develop an insect promotion campaign and conference judge. (40 pages)

### Financial Management

**Consumer Education – Consumer Savvy**  
Are you a consumer? You bet – we all are! Youth consume more than $175 billion of goods and services each year. Consumer Savvy will help youth become informed and responsible consumers in today’s dynamic marketplace.

**Consumer Savvy – Level 1 – The Consumer in Me**  
**Grades 4-5**  
Youth will experience what it means to be a consumer through saving, spending and sharing.  
- Goods and Services  
- Wants and Needs  
- Wish and Save

**Consumer Savvy – Level 2 – Consumer Wise**  
**Grades 6-8**  
Introduces youth to the influence of peer pressure, the power of advertising, and the expanding Web market as they learn to make independent decisions when shopping.  
- Value Conflict  
- Value Shield  
- Work Activity

**Consumer Savvy – Level 3 – Consumer Roadmap**  
**Grades 9-12**  
Teens in navigate the potholes in the marketplace enroot to becoming savvy consumers.  
- Me complain?  
- How to Right a Wrong  
- What Does That Have To Do With Me?

**Consumer Savvy Helper’s Guide (40 pages)**  
For Adults and Teen Leaders  
Interactive group activities help leaders make knowledge come to life for youth. Special tips for leaders to help youth acquire life skills.

### Butterfly WINGS Grades 4-8  
09743

In Project Butterfly WINGS, youth explore the outdoors through guided inquiry, learn to identify the butterfly families and common butterflies, and contribute to science.

**Butterfly WINGS Youth Guide**  
Youth explore the outdoors through their senses, play butterfly detective, create site maps of their favorite butterfly and much more! (102 pages)

**Butterfly WINGS Facilitator Guide**  
Facilitators guide youth through the steps in the science inquiry process, and become critical thinkers and decision makers. (88 pages)

### Be the “E” – Section 1 – Passion – Love It  
Grades 6-7  
09208a

This guide introduces young people to the world of Entrepreneurship. Youth discover what it is, who has done it, how some famous products got started, and how to find and make business opportunities. Several activities help youth learn what it takes to be an Entrepreneur, and whether they have “The Right Stuff” to meet the challenges. Through interactions in their community, youth understand its present business types, and additional community business needs. Lastly, youth experience the special rewards…What’s in it for me?…that comes from being an entrepreneur.

Also included in kit:  
- Helper’s Guide  
- Activity Guide

**Financial Champions – Level 1 – Money Fundamentals**  
**Grade 7-9**  
No matter what you decide to do with your life, you will have to learn to manage money to be successful. Youth learn money management skills, including deciding whether to make a purchase, determining whether they can afford it, and living within a spending plan.

**Financial Champions – Level 2 – Money Moves**  
**Grade 7-9**  
Youth learn about wants and needs, values, goal-setting, communications, ways to use and save money, the benefits and drawbacks of credit, advertising influences, consumer decision making and how to select financial services.
Financial Management

Reading Makes Cents  Grades 3-5  09243
A financial literacy and reading curriculum for use in after school programs, day camps and other special interest group settings and for school enrichment programs. Reading Makes Cents is comprised of a collection of 53 experiential activities developed around exemplary children’s literature that has money as a theme. Most of the activities are stand-alone and designed to be completed in one session.

The selected children’s literature explores ideas, activities, and strategies that help children learn how to earn, save, share, and spend money. Children’s literature provides a rich diversity of settings, people, income levels, relationships, ethnic backgrounds, cultures, religions, holidays, intergenerational friendships all related to money messages and learning.

Money Sense for KIDS  Ages 9-12  09204
This activity is designed to teach preteens basic money management skills in a fun, hands-on way. Each session features educational activities such as reading, quizzes, role-playing, tours, skits, games, and other dynamic, challenging projects.

Guide includes suggestions for conducting a five-session day camp for youth ages 9-12. It can also be used for after-school programs or as individual money management lessons. Ideas for marketing, subject matter information, letters for parents, handouts and activities are included.

Objectives

Participants will:
- Learn how to distinguish between wants and needs
- Learn how to set financial goals
- Learn how to develop a spending plan
- Recognize the importance of savings
- Begin a savings program
- Learn about banking services
- Learn how to write a check
- Learn how to open savings and checking accounts
- Learn how to evaluate advertising
- Learn how to make wise consumer choices

Junior Achievement Afterschool Programs

JA Afterschool™ is a national initiative dedicated to meeting the need for quality educational after-school programming. JA’s after-school efforts utilize a variety of Junior Achievement’s K-12 grade business and economic programs to create rich, engaging after-school experiences for at-risk children in diverse communities across America.

As a result of JA Worldwide’s partnership with the Department of Justice, Office of Juvenile Justice and Delinquency Prevention, three new after-school programs have been developed for elementary, middle grades and high school students.

JA Company Program  Grades 9-12  19202
JA Company Program encompasses entrepreneurship curriculum for students in grades six, seven and eight. The program emphasizes entrepreneurship while providing a strong focus on social studies, reading and writing skills.

Students are encouraged to use critical thinking to learn entrepreneurial skills that support positive attitudes as they explore and enhance their career aspirations.

JA More than Money  Grades 3-5  19200
JA More than Money meets the after-school programming needs of a diverse group of third through fifth grade students by providing engaging, academically enriching, experiential activities in economic education. Students learn personal financial and business skills through innovative activities focusing on earning, spending, and saving money.

Students also identify personal skills and interests and learn to connect them to business/career opportunities. Working individually and in groups, students make financial decisions and learn to identify businesses they can start or jobs they can do to earn money. Students play a game that reinforces the money management skills learned throughout the program.

JA It’s My Business!  Grades 6-8  19201
JA It’s My Business! encompasses entrepreneurship curriculum for students in grades six, seven and eight. The program emphasizes entrepreneurship while providing a strong focus on social studies, reading and writing skills.

Students are encouraged to use critical thinking to learn entrepreneurial skills that support positive attitudes as they explore and enhance their career aspirations.

JA Financial Futures  Middle-High School  09244
Available in English  09245
Available in Spanish

From organizing finances to learning about savings, risk management, and consumer breadcrumbs, the My Financial Future curriculum helps middle and high school youth develop critical skills and knowledge in money management. Participants learn about financial literacy concepts through case studies and real-life scenarios. Additional concepts covered include career planning, setting up SMART goals, managing financial records, creating spending and savings.

JA Financial Futures: Middle-High School

JA’s after-school programming meets the after-school programming needs of a diverse group of middle and high school youth to develop critical skills and knowledge in money management. Participants learn about financial literacy concepts through case studies and real-life scenarios. Additional concepts covered include career planning, setting up SMART goals, managing financial records, creating spending and savings.
### Gardening

<table>

<tr>
<td>Down to Earth – Gardening in the Classroom</td>
<td>Grade 6-8</td>
<td>09116</td>
</tr>
<tr>
<td>Vermicomposting</td>
<td>Recommended for 4th - 6th Grades</td>
<td>09117</td>
</tr>
</tbody>
</table>

**Down-to-Earth** assists the helper in using gardening as a means to explore plant growth and development. Through this hands-on, minds-on program, youth learn the basics of botany, the gist of gardening, the essentials of ecology and much more. Through gardening youth stimulate their senses and cultivate science process and life skills. By gathering data via the scientific method, youth feel a sense of pride and responsibility. This award winning 88-page activity guide is an excellent resource for school enrichment programs, organized 4-H clubs, school age child care educators, after school programs, nature centers, summer youth camps, scouts and traditional school settings.

**Vermicomposting** is the process of using worms and microorganisms to convert organic matter into nutrient-rich humus. Earthworms and microorganisms eat the organic matter. This kit includes a leader’s guide with lesson plans on developing a functional worm bin, identifying the anatomy of an earthworm, identify decomposers, identify ways to reduce waste and harvesting of worms and castings.

### Global Education

</tr>
<tr>
<td>And My World – Leader’s Guide</td>
<td>Included with each of the level kits</td>
</tr>
</tbody>
</table>

**And My World – Activity Guide**

Although we live in different countries, speak different languages and follow different customs, we all share the limited resources of the planet Earth. That is why we must understand that our survival depends upon awareness of the world, understanding of other cultures and commitment to improving the quality of life worldwide. This curriculum focuses its activities around these three points. The lessons found in this curriculum are easy to use and filled with interesting, enlightening information for your club, class or group. They are independently designed for use in any order. They can be enhanced by using additional outside resources and used in a variety of settings, including:

- school enrichment
- individual study
- camp settings
- club/special interest groups
- special events – retreats, workshops, conferences
- after-school programs

**And My World – Leader’s Guide**

This leader’s guide is designed to prepare you to work with 4-H youths, grades 3-12 (ages 9-19), in an informal educational setting. The level of activities varies and may be presented to a variety of ages and knowledge levels. You will help the youth:

- Demonstrate Citizenship and Understand Issues
- Increase Open-mindedness
- Practice Advocacy in Action
- Understand Self in the World
- Practice Intercultural Communication
- Apply Knowledge and Skills

**Cultures Around The World**

The United States is becoming an increasingly diverse society. Neighborhoods and communities, today more than ever, contain a complex mix of cultures, races, religions, and languages. Understanding, accepting, and valuing diverse cultures will help prepare youth to thrive in an ever-changing society.

**Anticipated outcomes:**

1. Youth will become more sensitive of the customs and backgrounds of the ethnic groups living in the United States and abroad.
2. Youth will find joy in learning about other cultures and will pursue additional cultural education and travel to other countries, which in turn will make them informed global citizens.
3. Youth will strive to educate others on cultural diversity and understanding.
4. Youth will become acquainted with current world issues.
5. Youth will have a better understanding of languages spoken in other countries.
6. Youth will become more familiar with world geography.
**Health Rocks**

**Beginning Level – 8-12 year olds** 09880

**Intermediate Level – 12-14 year olds** 09881

Series of Leader’s curricula for a healthy living program that reduces tobacco, alcohol and drug use by youth.

---

**Health – First Aid in Action (36 pages)**

**Beginning Level for All Ages** 09224

Youth practice first aid skills to treat cuts, scrapes, nosebleeds and bee stings. They learn how to respond to someone who is choking or has broken a bone; assemble a first aid kit; and interview members of the medical profession.

---

**Health – Staying Healthy (36 pages)**

**Beginning Level for All Ages** 09225

Youth use a self-assessment tool to identify personal talent areas – “smarts,” explore hygiene, nutrition and physical activities, and share what they discover with a new appreciation of personal interests and talents.

---

**Health – Keeping Fit (36 pages)**

**Intermediate Level for All Ages** 09226

Youth design their personal fitness plan and track it using their fitness file. Through interviews and personal experiences youth discover the benefits to being fit as they practice making decisions, managing themselves and speaking with others.

---

**Just Be It! Healthy and Fit**

**Grades 4-6** 09227

The Just Be It! Healthy and Fit curriculum provides educators a fun, hands-on approach to teaching nutrition and fitness to 4-6 grades. This research-based curriculum provides eleven lessons:

- Food Safety
- Build a Healthy Diet
- Get Moving
- Gracious Grains
- Vivacious Veggies
- Fabulous Fruits
- Dairy Anyone?
- Protein Power
- Serving Size
- Fast Food or Fat Food
- All About Diabetes

Each lesson includes nutrition and fitness activities, snack recipes, and take-home reinforcement activities including parent newsletters. A DVD is included in the back cover of the curriculum including all videos and hand-outs referred to in the lessons.

The goal of the JBI program is to reduce childhood obesity risk factors for youth by increasing nutrition knowledge, increasing fruit and vegetable intake and increasing activity level. Empowering youth with the information needed to make healthy food and physical activity choices and providing them with a supportive environment in which to practice making these choices encourages healthy lifestyles for a life time.
Kids On the Grow – Level 2 – Growing with Others (40 pages) Grades 5-6 09210b
Youth learn about self-care, rules, responsibility, and safety and are introduced to baby-sitting. They learn to work with others and gain awareness of common dangers in their world.

Head: Cognitive Growth
• Home Alone Game
• My Plan for Me
• Picture This

Hands: Social Growth
• Putting the Pieces Together
• Family Connections
• Family Rules

Heart: Emotional Growth
• Toys as Tools
• Circle of Friends
• Friendly flyer
• How I See It

Health: Physical Growth
• Family, Food and Fotos
• Safety Inspector
• Street Smart
• Mother’s Helper

Child Development – Kids on the Grow Grades 3-10
Kids On the Grow includes 44 child development activities related to how youth grow and develop, how they can care for themselves, their family and community. This revision contains two new activities called Babysitting Kit and Mother’s Helper, along with nine enhanced activities in the Helper’s guide that encourages youth to work with younger kids in after school programs, day care centers, summer day camps and more.

Life Skill Outcomes
• Planning and organizing
• Critical thinking
• Concern for others
• Accepting differences
• Teamwork
• Leadership
• Personal safety
• Self-responsibility

Child Development Outcomes
• Knowledge and understanding of human growth and development
• Self-care, sibling care and babysitting skills development
• Exposure to child development careers
• Understanding critical issues related to developing healthy relationships and parenting skills

Grow All Together – Helper’s Guide (40 pages) 09210abc
The Helper’s Guide features nine enhanced group activities. Youth are encouraged to work with younger kids in after school programs, day care centers, and day camps as well as with kids in their own 4-H club.
**Super Sitting  Grades 4-12  09750**

*Super Sitting* is a program designed to teach youth how to care for young children in their own family, as a babysitter, or in a volunteer role. The video illustrates how to feed, bathe, and entertain a baby, toddler or preschooler. There is a youth and trainer manual in the program as well as completion certificates and first aid instruction.

---

**Team Nutrition – Food Works  Grades 3-5  09072**

*Team Nutrition* is a nutrition education program that uses hands-on gardening, food preparation and language activities to teach children the basics of the Food Guide Pyramid and how to read the “Nutrition Facts” label on food products. The kits contain Teacher’s Guide, Student handout masters, posters, videos, and take home materials.

---

**I Have What It Takes To Be Your Teen Babysitter  Ages 13-18  19210**

The curriculum is designed for middle school and teenaged youth. They learn about the ages and stages of child growth and development, safety, food and nutrition, how to handle emergen-cies, appropriate activities to implement with children, and the business of baby-sitting. The kit contains an Instructor Guide, a Student Guide with supplement-CD Rom and a set of Student Worksheets.

This curriculum was developed in support of Army Child & Youth Services and National 4-H Outreach efforts.

---

**Jump Into Foods and Fitness  Grades 3-5  09213**

Having fun with the serious business of teaching kids about healthy food choices and being physically active is built into *Jump Into Foods and Fitness* (JIFF), a new, research-based curriculum for adults and older teens to use with kids aged 8 to 11 (grades 3-5). “Jiff the Joey” sets the stage for each of the seven “Kangaroo Jumps” or sessions in JIFF. Fun nutrition, physical fitness and food safety learning activities are integrated into the program, which uses the Kid’s Activity Pyramid and the Food Guide Pyramid.

You don’t need to be a nutrition or fitness expert to work with kids on JIFF! You can learn right along with the kids in club, after-school, school and other non-formal educational settings! JIFF provides information about agencies, organizations and Web sites that offer up-to-date information on the topics covered in the book. JIFF was designed with children’s developmental characteristics in mind. The program encourages win-win situations and keeps kids active most of the time. The activities can easily be adapted for younger (aged 5 to 7) and older children (aged 12 and up). The activities and movements may need to be adapted if they present a challenge for children in your group who have physical or health-related disabilities.

The earlier children begin to practice healthy lifestyle habits, the longer they are likely to practice them. Using the information in JIFF helps kids develop healthier lifestyles to improve their overall health and fitness level, and may reduce their risk of developing life-threatening illnesses later in life.

**JIFF features extensive introductory materials that covers:**

- How children learn in general and how they learn health-related behaviors specifically.
- Principles for positive youth development.
- Using JIFF in various settings.
- The JIFF facilitator’s role
- Identifying other, appropriate resources for use with this age group.
- Adapting the JIFF materials for use with other age groups.
- Tips for working with children.
- Physical fitness and nutrition background information.

Helpful resources and additional information on the topics covered in the sessions appear at the end of the book.

The seven “Kangaroo Jumps” (sessions) are designed for use in 60- to 90-minute meetings, though the individual activities can also stand-alone.

**Sew, Read!  K-3  The Purple Coat  09650**

**Sew, Read!  K-3  The Boy and the Quilt  09651**

*Sew, Read!* uses children’s story books (*The Purple Coat* and *The Boy and the Quilt*) to provide the themes for teaching basic sewing skills for children age 5-8 years. *Sew, Read!* is designed to encourage both reading and sewing skills. The program involves reading the children’s story that serves as the theme for the project activities. The activities—sewing a quilt square or a teddy bear vest are designed to teach basic hand or machine sewing skills. These sewing projects provide children with tangible evidence of their abilities and encourage further achievement. In addition, this thematic approach provides opportunities to strengthen math and reading skills through activities related to the children’s books.
### Natural Resources

<table>
<thead>
<tr>
<th>Exploring Your Environment–Level 1–Eco-Wonders (56 pages)</th>
<th>Grades 5-7</th>
<th>09100</th>
</tr>
</thead>
</table>
Youth experience the challenge and excitement of exploring the ecology, science, and technology of the environment. Youth experience the four elements of life, connections among living things and how all plants and animals are affected.

**Ecological Themes:**
- Four Elements Of Life
- Everything Is Connected To Everything Else
- Everything Must Go Somewhere
- There Is No Such Thing as a Free Lunch
- All Plants & Animals Are Affected by the M.A.D.
- All Plants & Animals Have a Home

<table>
<thead>
<tr>
<th>Exploring Your Environment – Level 2 – Eco-Adventures (64 pages)</th>
<th>Grades 8-10</th>
<th>09101</th>
</tr>
</thead>
</table>
Youth engage in encouraging and challenging outdoor activities. This book will help you discover six important concepts and ideas, related to ecology, while you explore your environment. Concepts such as pollution prevention, watersheds and acid rain activity are discussed.

<table>
<thead>
<tr>
<th>Exploring Your Environment–Level 3–Eco-Actions (62 pages)</th>
<th>Grades 11-12</th>
<th>09102</th>
</tr>
</thead>
</table>
Youth develop scientific thinking and processing skills in relationship to basic ecological concepts. Each section of this project book focuses on an ecological concept and provides activities that will help explain how the environment works.

<table>
<thead>
<tr>
<th>Eco-Wonders Helper’s Guide (56 pages)</th>
<th>Included with each of the level kits.</th>
</tr>
</thead>
</table>
Useful information and activities for helpers to plan, manage and teach an environmental education program are the mainstays of this guide. The purpose of the guide is to teach helpers to excite, engage and encourage youth in ecology, science, nature and technology.

<table>
<thead>
<tr>
<th>Outdoor Adventures</th>
<th>Grades 3-12</th>
</tr>
</thead>
<tbody>
<tr>
<td>Level 1 Grades 3-5 – Hiking Trails: Day Hiking Skills</td>
<td>09126</td>

<tr>
<td>Level 2 Grades 6-8 – Camping Adventures: Base Camping Skills</td>
<td>09127</td>
</tr>
<tr>
<td>Level 3 Grades 9-13 – Backpacking Expeditions: Backpacking Skills</td>
<td>09128</td>
</tr>
</tbody>
</table>
Youth may begin the series at any age level based on their skills and experience. The guides have been designed to be used sequentially. With each level, new outdoor skills are introduced. A Group Activity Helper’s Guide is included in each kit.

<table>
<thead>
<tr>
<th>Backyards and Beyond</th>
<th>09133</th>
</tr>
</thead>
</table>
Establishing a neighborhood Nature Club is the goal of this project so that nature trails and outdoor activities are linked. Club Leader curriculum and Community Organizational Guide and Tool Kit are provided.

<table>
<thead>
<tr>
<th>Fishy Science</th>
<th>Grades 3-5</th>
<th>09214</th>
</tr>
</thead>
</table>
The purpose of this unit is to introduce some basic concepts about fish through the use of an aquarium and selected activities and experiments. This includes having group members explore how fish swim, breath, the differences between like species of fish, the sensory features and abilities of fish, and the special adaptations of fish to water. The lessons can be used on a stand alone basis, or in sequence as a comprehensive unit of study.

**Life Skill Areas**
- Problem solving and decision-making
- Communicating and relating with others
- Acquiring, analyzing and using information

<table>
<thead>
<tr>
<th>Fishy Science Teacher’s Guide</th>
</tr>
</thead>
</table>
Water, water everywhere, and yet fish get thirsty. Why? Through observation and experimentation, students learn the answers to that question and many others in this four-lesson curriculum on how fish swim and breathe, their sensory features, and their adaptation to water. Units can stand alone or work as a progression. Among the activities:
- Identifying body parts of fish
- Adapting a quarter to enable it to float
- Detecting carbon dioxide in exhaled air
- Exploring the breathing mechanism of fish
- Observing fish for color vision

<table>
<thead>
<tr>
<th>Sportfishing</th>
<th>Grades 3-12</th>
</tr>
</thead>
<tbody>
<tr>
<td>Level 1 Grades 3-5 – Take the Bait</td>
<td>09129</td>

<td>Level 2 Grades 6-8 – Reel in the Fun</td>
<td>09130</td>
</tr>
<tr>
<td>Level 3 Grades 9-12 – Cast into the Future</td>
<td>09131</td>
</tr>
</tbody>
</table>
Level 1 focuses on basic knowledge needed to have fun and be successful in the project. Level 2 includes activities on casting, making tackle and understanding the biological needs of fish. Level 3 includes leadership, making artificial lures and aquatic ecology. A Helper’s Guide is included in each kit.

<table>
<thead>
<tr>
<th>Forestry - Forests of Fun</th>
<th>Grades 3-12</th>
</tr>
</thead>
</table>
The new 4-H Forests of Fun curriculum will open the world of forests to your youth. At every age level the materials present activities that involve youth in learning about trees, forests, forest ecology and human reliance on forests. Youth will discover forest resources near home and around the world.

**Life Skill Outcomes**
- Decision-making, problem-solving
- Interpreting information, teaching others, reasoning, communicating with others

<table>
<thead>
<tr>
<th>Forestry Outcomes</th>
</tr>
</thead>
</table>
Learn about differences in trees and how they grow
Learn about forests at home and around the world
Learn how to keep our forests healthy
Learn how important forests are to our lives
Natural Resources

Forests of Fun – Level 1 – Follow the Path
(40 pages) Grades 3-5 09206a
Youth will learn about different types of trees and tree parts, characteristics of different forests, what forests need to grow and thrive and the different products people get from trees and forests.

Introducing Your Highness
- Leafing Out
- Talking Trunks
- Hold On Tight!
- Home, Tree, Home
- Bark Buddies
- Straight and Tall
- In the Tree’s House
- Down in the Dirt
- Thirsty Trees
- Spotlight: Trees
- Trees in Space
- My Couch is a Tree?
- Trees at Work
- Good ‘Ole Trees
- Fun in the Forest

Forests of Fun – Level 2 – Reach for the Canopy
(40 pages) Grades 4-6 09206b
Youth will take a closer look at the inner-workings of trees, explore forest change, learn about forest health concerns and discover the health benefits trees have on people.
- Water on the Move
- Take a Look Inside
- Circle of Life
- Trunk Time Travel
- A Tree’s Home
- A Changing Forest
- Relating to Trees
- Forest Invasion
- Trees Get Sick, Too
- Stop Bugging Me!
- Fire in the Forest
- Move Over, Please!
- Am I Growing?
- Breathing Easier
- Life in a Tree

Forests of Fun – Level 3 – Deep Woods Thinking
(40 pages) Grades 7-12 09206c
Youth will learn to examine and distinguish different types of trees, look at forests on a global scale, learn to care for trees and think about how to conserve forests.
- Tree Keys
- Winter Trees
- Take a Closer Look
- History of Trees
- A Changing Forest
- Turn Left at the Tree
- A World of Trees
- Foreign Forests
- City Trees
- It’s A Bird, It’s a Plane, It’s Super-Tree!
- Recycle me, Please
- Trim the Trees
- Wanted: Forest Owners
- Anyone Need a Tree?
- Don’t Leave Me Alone!
- My Boss is a Tree

Forestry Helper’s Guide (40 pages)
The Forestry Helper’s Guide provides useful forest information, group youth activities and practical tips for volunteers. Using the 4-H Forest Resources curriculum, youth will develop a lifelong appreciation for forests and have loads of fun in the process. The guide also includes information on Ages and Stages of Youth Development, Teaching and Learning Experientially, Navigating the Forest, and Visiting Forest Sites.

There’s No New Water! 09502
This water conservation and water quality curriculum is grounded in a simple yet powerful concept that water is a finite natural resource whose quantity and quality must be responsibly preserved, protected, used, and reused. The curriculum includes six sequential learning modules. (155 pages)
Science

Junk Drawer Robotics: Level 1 - Give Robotics a Hand 09503
Youth explore and learn about robot arms. Concepts covered include pneumatics, arm designs, and three dimensional space. Big ideas include form and function, scientific habits of mind, and engineering design. Youth are challenged to build robots from everyday items. None of the levels require or use computers. (78 pages)

Junk Drawer Robotics: Level 2 - Robots on the Move 09504
Youth learn about robots that move with legs, wheels and underwater. Concepts covered include friction, basic electrical power and motors, engineering constraints, gear systems, and buoyancy. Youth are challenged to build robots from everyday items. None of the levels require or use computers. (76 pages)

Junk Drawer Robotics: Level 3 - Mechatronics 09505
Youth will explore sensors and analog and digital systems. The track introduces simple electronic components; youth will build basic circuits to see how the components work. They will investigate basic elements of programming and instructions for robotic computer control. Youth are challenged to build robots from everyday items. None of the levels require or use computers. (92 pages)

Virtual Robotics Track DVD 09506
Youth will have opportunities to build and test virtual robots. Participants interact in a virtual environment as they learn basic science and robotics concepts without investing in expensive materials or supplies.

This track makes use of videos, simulations, animations and other media to convey content in a meaningful and engaging manner.

System requirements:
- Macintosh 10.4 or Higher or a PC with Windows
- XP or higher: Processor: 1.5 GHz or higher
- RAM: 1 GB (2GB Recommended) Free HDD Space: 3GB Graphic accelerator card:
- 128 MB Sound Card

Robotics Platforms Track DVD 09507
Robotics Platforms Track (DVD - Includes a Facilitator Guide PDF and Youth Notebook PDF).
Youth will use commercial robotics kit to explore the world of robots. The activities developed for this track can be used with a variety of commercial kits, including NXT, and Vex.

As participants experience each module, they will develop scientific knowledge and technological understanding that will enable them to master the challenge presented at the culmination of that level.

Microscope Kit Grade 4-6 09508
This kit contains three microscopes to use in giving youth a basic understanding of science related to cell development. Two lessons are included: How to Use a Microscope and Looking at Cells through a Microscope. Both include student handouts, PowerPoints and lesson plans. Clean slides and lesson slides are also included.

Science Discovery Series 1 (72 pages) Grade 3-6 09118
Whether you are a school teacher, camp counselor, 4-H Club leader or home school, you will find the lessons in the Science Discovery Series are as much fun and interesting to teach as they are for youth to experience. Youth develop science skills as they explore whales, rocks and minerals, water quality, trees and recycling. Each lesson plan outlines subject matter and life skill objectives, materials needed, background information, a lesson outline containing detailed instructions, optional activity references and resources, glossary and an evaluation instrument.

Science Discovery Series 2 (186 pages) Grade 4-7 09119
Making science fun is the goal of the lessons and activities included in this curriculum. Whereas Volume 1 focuses on basic science exploration activities with few consumable supplies that are easy to make into self-contained kits, Volume 2 provides more in-depth coverage to several different science topics. Youth explore weather, spiders, oceanography, trees and astronomy.

Exploring Spaces, Going Places - Geospatial Geographic (CD) 09132
Welcome to the world of GIS and GPS! Beginner, Intermediate and Advanced levels in one CD. The divisions are not age or grade-level based, but instead are based on learners experiences and skill level with geographic and geospatial topics.
This research-based book provides a broad, general overview of what bullying is, who is affected by bullying, and why it’s important for adults — including you — to get involved in prevention and intervention. This book identifies problems and offers solutions under three sections: creating a positive classroom, helping victims and helping bullies. There are numerous surveys and questionnaires for both students and teachers.

**Belle’s Trial - Book and Activity Book**  
*Ages 8-12*  
09230

A novel written from a dog’s point of view, which empowers children to build new lives after escaping bullying and abuse or other difficult situations. The activities and discussion questions provide thought provoking opportunities for children to interact with others about issues raised in the novel. They provide ways to foster understanding and develop tools that can help people make positive changes at a personal and community level.

**Belle’s Star - Book and Activity Book**  
*Ages 8-12*  
09231

This innovative program is designed to help middle school youth explore what it takes to get their first “paying” job. This interactive experience, combining CD and activity guide formats with activities presented in the context of a movie set, helps youth recognize their learning styles and personal qualities. Youth make “real life choices” using video scenarios in the on-the-job choices game. Youth discover how to assess job possibilities in the community and create job scenarios. Helper’s Guide is included in the kit and includes activities to reinforce and extend learning.

**Communications 1 - Picking Up the Pieces**  
*Grades 3-5*  
09235

Stimulating activities provide opportunities for youth to practice and gain confidence in communicating in a variety of situations. Practice and develop the life skills of communicating with others through interpreting information, choosing appropriate verbal and non-verbal messages, debating issues, presenting basic ideas and information, and writing with a purpose.

**Communications 2 - Putting It Together**  
*Grades 6-8*  
09236

Stimulating activities provide opportunities for youth to practice and gain confidence in communicating in a variety of situations. Practice and develop the life skills of communicating appropriate verbal and non-verbal messages, presenting complex information, analyzing responses, presenting speeches and demonstrations and participating in discussions.

**Communications 3 - The Perfect Fit**  
*Grades 9-12*  
09237

Youth practice and develop the life skills of posing critical questions, organizing and analyzing complex information, presenting well organized speeches, critiques and presentations, presenting complex information and evaluating information.

**Get in the Act – Take I (32 pages)**  
*Grades 6-8 (Interactive CD Included)*  
09219

This innovative program is designed to help middle school youth explore what it takes to get their first “paying” job. This interactive experience, combining CD and activity guide formats with activities presented in the context of a movie set, helps youth recognize their learning styles and personal qualities. Youth make “real life choices” using video scenarios in the on-the-job choices game. Youth discover how to assess job possibilities in the community and create job scenarios. Helper’s Guide is included in the kit and includes activities to reinforce and extend learning.
Curriculum consists of nine activities that help youth develop skills and knowledge in career exploration. Facilitator Guide is included in the Kit.

Adventure Kit is designed to engage middle school youth in changing a piece of the public world, discovering the possibilities of democratic citizenship and building a commitment to taking action in new and exciting ways. It is accompanied by a Guide’s Handbook.

Proper behavior and common courtesy are addressed. Topics include introductions, meal-time manners, telephone and letter etiquette, internet and email manners, and more!

The awesome experiences of flying an airplane, launching a rocket, conquering space and becoming an astronaut or pilot come alive as youth explore Aerospace Adventures. Through fun and challenging activities youth learn about flying, kites, hot air balloons, remote control airplanes, gliders, and rockets as they develop important life skills. Wow! Talk about fun! Youth and their helper’s have a great time working together as youth learn how to talk like a real astronaut, find out how an airplane works and have fun at the same time.

Youth blast off with this guide as they fly kites, participate in airplane contests, launch rockets, explore space, make a glider, construct a straw rocket and experience disorientation.

Youth soar as they learn to fly an airplane, launch a rocket, conquer space and become an astronaut or pilot. Controlling flight direction and experiencing shuttle technology add to the fun in this experiential curriculum. Youth make a shuttle on a string, a Japanese kite, a hang glider and a control panel of an aircraft.

Youth create their own altitude tracker, determine the most fuel efficient routes between airports and make a box kite. Youth also explore pilot certification requirements, evaluate past and present navigation systems, and learn about airport issues in their community or state.

Youth come back for more. Many activities are included in this guide for hands-on experiential group fun such as an aerospace quiz bowls, skill-a-thons and an airport field day.

This guide has been designed by aerospace and extension educators from across the nation to support you, as commander of the flight crew, to give leadership to a group of youth interested in exploring aerospace. This helper’s guide provides group oriented experiences that will keep youth coming back for more. Many activities are included in this guide for hands-on experiential group fun such as an aerospace quiz bowls, skill-a-thons and an airport field day.

This curriculum opens the world of theatre to youth in grades 5-8 (can be adapted for younger and older youth). Revised and new, these materials offer extended activities in communication, improvisation, pantomime, script writing, cultural and historical influences, stage design, and costume design. Life skills and workforce development concepts are woven throughout the curriculum, as youth master more sophisticated theatre techniques and ideas.

The curriculum books are for the facilitator of a group in beginner, intermediate, and advanced levels.

Youth create their own altitude tracker, determine the most fuel efficient routes between airports and make a box kite. Youth also explore pilot certification requirements, evaluate past and present navigation systems, and learn about airport issues in their community or state.

Youth create their own altitude tracker, determine the most fuel efficient routes between airports and make a box kite. Youth also explore pilot certification requirements, evaluate past and present navigation systems, and learn about airport issues in their community or state.

Youth create their own altitude tracker, determine the most fuel efficient routes between airports and make a box kite. Youth also explore pilot certification requirements, evaluate past and present navigation systems, and learn about airport issues in their community or state.

Youth create their own altitude tracker, determine the most fuel efficient routes between airports and make a box kite. Youth also explore pilot certification requirements, evaluate past and present navigation systems, and learn about airport issues in their community or state.

Youth create their own altitude tracker, determine the most fuel efficient routes between airports and make a box kite. Youth also explore pilot certification requirements, evaluate past and present navigation systems, and learn about airport issues in their community or state.
Citizenship Washington Focus (CWF) is a leadership program for high school youth from across the country. Every summer thousands of young people stay at the National 4-H Center, near Washington, D.C. to participate in this weeklong program. CWF is a program which provides opportunities for youth to broaden appreciation and practice respect for themselves and others in their world; increase individual commitment to citizen involvement; and understand the importance of civic and social responsibilities as they relate to the development of better citizens and leaders. Time is provided for 4-H members to report accomplishments in 4-H to their representatives in the Washington, D.C. area, as well as participate in sightseeing trips to the following attractions:

- Washington National Cathedral
- FDR Memorial
- Arlington National Cemetery *Iwo Jima Memorial
- Mount Vernon
- Vietnam Veterans Memorial
- Newseum and Freedom Park
- Korean War Memorial
- Night view of Washington

The cost is estimated at $1,700 depending on airline ticket rates. The deadline for first payment of $250 is due in September, the second payment of $500 is due in March, with final payment due in May. The program is open to 4-H members ages 14-18, so get a group of friends together and start raising money for this hands-on opportunity to learn and practice skills that promote “Better Citizens Today. Better Leaders Tomorrow.” Contact your County Extension Office for registration information.

National 4-H Congress

National 4-H Congress is the flagship event of the 4-H program. The conference is open to 4-H members from the United States and its territories. It provides youth (ages 14-19) a quality, educational and cross-cultural experience that exceeds what any state could provide independently. It is designed to address the needs and issues of youth while helping to develop capable, competent, and caring citizens.

The program is built upon the Cooperative Extension System’s belief that young people are significant partners in addressing the issues that face our nation, especially those affecting youth. Each year a National Design Team of Extension educators, 4-H youth and 4-H adult volunteers analyze current youth issues and determine the most effective ways to address them. The program combines plenary sessions, seminars, discussion groups, a nationally broadcast town hall meeting, and a service learning experience.

The young people who attend National 4-H Congress come from all strata of our nation’s population representing a variety of economic, social and cultural backgrounds. They hail from farms, small towns, suburbs, and cities. They represent all ethnicities. New Mexico youth are selected by submitting a State Recordbook to be judged. The top 15 books selected earn the youth a trip to 4-H Congress.
New Mexico 4-H Statewide Events

Youth Get Away (YGA)
State 4-H Officers host Youth-Get-Away each spring. The officers plan and conduct the workshops concentrating on communication, decision making, and teamwork skills each spring. This event provides “fun” team building activities. All novice and junior 4-H members are welcome to attend.

Senior Leadership Retreat (SLR)
This retreat is prepared and conducted by the State 4-H Ambassadors and Diplomats. The retreat contains motivational leadership workshops for senior 4-Hers on topics such as self-esteem, confidence building, commitment, communication skills and team building. It is a three day event held every January.

State 4-H Shooting Sports Championship
State competition for senior age members in all shooting sports contest, including rifle, shotgun, pistol, muzzleloader, and archery. This event is held each spring.

New Mexico 4-H Adult Forum
This Forum is held each November to provide quality training and networking to adult volunteer leaders, parents and staff from across the state.

State 4-H Schools
Horse School
Regional Livestock School
Home Ec School

State 4-H Conference
State 4-H Conference is held every July on the NMSU Campus. The Conference consists of contests, workshops, career tracts, evening sessions, awards ceremonies, and the election of new State Officers. Those eligible to attend State Conference are senior 4-Hers who participate in contests, workshops, career tracts and sessions, voting delegates, officer candidates, or members of the State Leadership Team.

Leadership Opportunities
For Senior Members ages 14-19
State 4-H Officers
Team of seven officers elected during State 4-H Conference to serve a one-year term.

Ambassadors
Four-member team selected through an interview process each January to serve a one-year term.

Diplomats
Four-member team selected through an interview process each January to serve a one-year term.

Youth Officials
Selected by application to assist with entries, judging, and display of 4-H Indoor Exhibits for the State Fair in September.

YGA Camp Counselors
Selected by application to serve as camp counselors for Novice age members in July.

Contact your county office or go to the 4-H Website at http://nm4h.nmsu.edu to learn more about these activities and leadership opportunities.

The 4-H Name and Emblem

The official 4-H Emblem is a clover with four leaves and an “H” on each leaf. The clover’s stem must point to the right as you look at the image. The 4-H Emblem is not a plain four-leaf clover. The 4-H Emblem should appear in specific colors and in its entirety. The 4-H Name & Emblem belongs to the 4-H Youth Development Program, under the authority of USDA and anyone wishing to use it must obtain permission to use it ahead of time.

The 4-H Youth Development Program is the youth outreach from the Land Grant Universities, Cooperative Extension Services, and the United States Department of Agriculture. The 4-H Name & Emblem is intended to represent the ideals of the program with its focus on Head, Heart, Hands, and Health. Today, it is one of the best-known and most valued images emblematic of a century of 4-H achievement. The 4-H Name and Emblem is very important to us as an organization because it represents who we are.

For a complete listing of guidelines related to the use of the 4-H Name and Emblem, please refer to https://s3.wp.wsu.edu/uploads/sites/2075/2013/03/4-H-Name-and-Emblem-Excerpt-1.pdf.

A Protected Emblem
The 4-H Name and Emblem are protected under federal statute Title 18, U.S. Code 707. This statute protects other federal emblems, like the Seal of the President of the United States.
The New Mexico State 4-H Office is here to serve you.

Life Skills
4-H Programming focuses on developing life skills. Below is the life skills model for 4-H as developed by Iowa State University.

---

4-H Mission
The mission of 4-H is to help young people become self-directing, productive, and contributing members of society.

There are four basic needs all youth will find a way to meet
- Belonging
- Mastery
- Independence
- Generosity

The Eight Essential Elements of Youth Development
There are eight essential elements of youth development that will insure these needs are met in a positive way.

<table>
<thead>
<tr>
<th>Belonging</th>
<th>Mastery</th>
<th>Independence</th>
<th>Generosity</th>
</tr>
</thead>
<tbody>
<tr>
<td>Positive Relationship with a caring adult</td>
<td>Engagement in Learning</td>
<td>Opportunity to see oneself as an active participant in the future</td>
<td>Opportunity to value and practice service for others</td>
</tr>
<tr>
<td>An inclusive environment</td>
<td>Opportunity for Mastery</td>
<td></td>
<td></td>
</tr>
<tr>
<td>A safe environment</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

If you are an individual with a disability who is in need of an auxiliary aid or service to participate in 4-H events, please enter your required accommodations on Form 300.A-3 and notify your County Extension Office.
