Hello Valued Customers,

We are gearing up for our 35th Annual Bull and Heifer sale. This year has been tough with the retirement of Mr. Burcham but things are slowly coming together. We are waiting on ultrasound data to come back to finish up EPDs but thought we would post the growth performance data from this year's test. We are taking video of the bulls and heifers today and will be conducting Breeding Soundness Exams this week. Our catalog will be finished by the typesetting company soon, so please check the website for that in the next few days.

Regards,
