**Lot # 12 Conitalena Starlight (2008 AQHA Sorrel Mare)**

A good producing broodmare. Freckles Playboy, Grays Starlight, and Docs Okie Quixote are on her papers. She was used as a rope horse until we got her. Sells as broodmare sound only. Due to have a mid

May 2021 foal by Chic Lets. She has been an easy breeder and never had any trouble with the three foals we have had out of her. If you are looking to get into the breeding business, here is your chance!

**Lot # 13 NMSU Doc Credit (2005 AQHA Bay Mare)**

**Sire:** Genuine Credit **Dam:** NMSU Doc Pepper

Another really nice broodmare for sale. This mare has produced many foals here at NMSU. She is Miss N Cash breeding on top and out of a daughter of an AQHA and NRCHA World Champion producer. This mare sells as broodmare sound only. She is lame on her back end, but has not had a problem raising foals. She should have a foal by sale day by One Shotgun Chex an own son of Nu Chex To Cash.

**Lot # 14 Love Em N Leave N (2009 AQHA Bay Stallion)**

**Sire:** One Time Pepto **Dam:** Love Em N Lena

Rare opportunity offered for sale. He is an own son of One Time Pepto, and out of a daughter of Smart Little Lena that was Reserve at the NRCHA Futurity. This stallion was shown in the NRCHA Pre Futurity works as a three-year-old, where he finished third. Unfortunately, due to an injury to his left hock he was retired to stud. We have owned him since he was four, and he has been an outstanding producer. His colts are super athletic, and have as much cow as you can ask for. He has only been collected, he has never live covered a mare. He has a very high conception rate by Artificial Insemination on site. You will look long and hard to find a better bred stallion, so don't miss this opportunity!
