

**DEPARTMENT OF ENTOMOLOGY PLANT PATHOLOGY AND WEED SCIENCE,
NEW MEXICO STATE UNIVERSITY**

Webpage: <http://aces.nmsu.edu/faculty/romero/index.html>

1. BACKGROUND INFORMATION

Education

- 2009 **Ph.D., University of Kentucky.** Urban Entomology
2005 **M.S., Kansas State University.** Veterinary Entomology
1995 **D.V.M., National University of Colombia**

Professional Experience

- 2012–to date **Assistant Professor.** Department of Entomology Plant Pathology and Weed Science, New Mexico State University. Las Cruces, New Mexico.
2012–to date **EPA-Special Government Employee.** Ad hoc member of the FIFRA Scientific Advisory Panel (FIFRA-SAP) to review issues related to methods for efficacy testing of bed bug pesticide products.
2010–2011 **National Science Foundation (NSF) Post-Doctoral Research Fellow.** Department of Entomology, North Carolina State University. Raleigh, North Carolina.
2005–2009 **Research Assistant.** Department of Entomology, University of Kentucky. Lexington, Kentucky.
2003–2005 **Research Assistant.** Department of Entomology. Kansas State University. Manhattan, Kansas.
2001–2002 **Visiting Scientist.** Mosquito and Fly Research Unit, CMAVE–USDA–ARS. Gainesville, Florida.
1995–2001 **Veterinary Parasitologist.** National Program of Veterinary Epidemiology, Colombian Institution of Agricultural Research (CORPOICA). Bogotá, Colombia.

Academic Honors and Awards

- 2013 Recipient, U.S. Department of Agriculture's E. Kika de la Garza Fellowship
2012 Recipient, travel award granted by Entomological Society of America to attend the XXIV International Congress of Entomology, Daegu, Korea.
2012 Recipient, travel award granted by Entomological Society of America to attend the LX Annual Meeting of the Entomological Society of America, Knoxville TN.

- 2010 Recipient, National Science Foundation Minority Postdoctoral Fellowship in Biology (3 years).
- 2008 Recipient, Pi Chi Omega Scholarship. The National Professional Pest Control Fraternity.
- 2008 Winner, National Conference of Urban Entomology Ph.D. Award. Tulsa, OK.
- 2008 Member of the first ever list of “Future Leaders 40 & Under” of the Pest Management Professional Magazine.
- 2007 Recipient “The Jeffery LaFage Graduate Student Research Award”, Entomological Foundation.
- 2006 Finalist (first runner-up) “BAYER – National Pest Management Association Young Scientist of the Year” National Competition.
- 2005–2009 Urban Entomology Fellowship, Department of Entomology, University of Kentucky.

2. RESEARCH

Peer-reviewed journal articles

3. TEACHING

General Instruction and Mentorship Activities

Undergraduate courses: Economic Entomology and Parasitology

Graduate course: Urban Entomology

Number of graduate advisees (3)

1. Major Advisor of Master student Maria A. Gonzalez. Project: "Chemicals as insecticide synergists and behavioral modifiers in the common bed bug, *Cimex lectularius*" (August 2016-present)
2. Major advisor of Master Student Sudip Gaire. Project: "Toxicity of essential oils components in the Turkestan Cockroaches, *Blatta lateralis* (Blattodea: Blattidae)" (August 23, 2014 – August 2016). He is currently a PhD student at Purdue University
3. Major advisor of Master Student Andres Indacochea. Project: "Short ranges responses of the kissing bug *Triatoma rubida* to host associated cues. (May 2014 – Dec 2016).

Number of undergraduate advisees (8)

1. Desarae Herrera. Completed a study about the evaluation of phagostimulants for *Triatoma rubida* and *T. protacta*.
2. John Agnew. Conducted research on effect of aggregation pheromones on locomotor activity of bed bugs. He also was involved with the evaluation of preference of baits by German cockroaches and the behavioral effects of insecticide dust in bed bugs behavior.
3. Chelsea Rodriguez. Studied the effect of RNAi on odorant receptors of bed bugs.
4. Maria A. Gonzalez, she was an Exchange Student at NMSU in the Spring 2014 from the University of Puerto Rico at Mayaguez as part of the USDA Natural Resources Career Track (NRCT) Program. She evaluated essential oils as repellents for bed bugs.
5. Martin Teran. He was part of the New Mexico Alliance for Minority Program from 2014 to 2016. Martin was directly involved with research on repellents for bed bugs, development of rapid methods for detection of insecticide resistance and evaluation of insecticide synergists to overcome metabolic resistance in bed bugs.
6. Cesar Salcedo. He was a high school student that was part of the Las Cruces Public Schools Career & Technical Education. Cesar spent the Spring 2014 conducting research on effects of insecticides on bed bug behavior.
7. Manda Sechler, conducted research in my urban entomology laboratory on fluctuation of Turkestan populations in an urban setting.
8. Brian Sanchez. Conducted research in my laboratory on the effect of insecticide dust on bed bugs.

4. EXTENSION / OUTREACH

Trade Magazine Articles

9. Romero, A. (2012). Bed bugs in the school environment: what every school community needs to know. New Mexico State University, Agricultural Science Center, Los Lunas, New Mexico, March 21, 2012.

Media/Newspaper articles

1. Audio/Video Production on Urban Flies, KRQE NEWS 13, November 19, 2014. This newspaper article highlighted the research of flies in the Urban Entomology Research Center at New Mexico State University.
2. Press article “Professor studies life of Cockroaches”, Las Cruces Bulletin, Las Cruces, NM, January 31, 2014. This news article highlighted one of the research lines of the Urban Entomology Research Center that deals with cockroaches.
3. Documentary, NMSU Communications and Marketing Services. (September 4, 2013). Note in the NMSU News Center on bed bug research conducted by A. Romero at NMSU. This note also appeared on The Las Cruces Sun-News
4. Audio/Video Production, NMSU Communications and Marketing Services. (August 29, 2013). Video on bed bug research conducted at New Mexico State University by A. Romero.

Outreach Activities promoting Urban Entomology

Student visits to the Urban Entomology Research Center

2017:

- Gadsden Middle School Career day (~850 middle school students) (Feb 24)
- Bernardillo High School College Bound, Career Exploration Tour (35 students and 5 adults) (March 15)
- Montessori Middle School Lab Tour (30 students and 3 adults) (May 9)
- Hermosa Heights Elementary School (37 students and 14 adults)

2016:

- Canutillo Elementary (80 students) (March 31)
- Deming School (60 students) (June 3)

2015:

- Anthony Elementary School (60 students) (Dec 11)
- Southern New Mexico State Fair (Sept 30- Oct 2)
- Mission Achievement and Success Charter School (40 students) (June 2)
- Mesilla Park Head Start (35 people) (May 15)
- McArthur Elementary School (450 students) (May 11)
- Rio Grande Elementary School (80 students) (April 23)
- Booker T. Washington Elementary School (26 people) (April 22)

5. SERVICE

Nation (nationwide)

- Environmental Protection Agency (EPA) Special Government Employee, National Ad hoc member of the FIFRA Scientific Advisory Panel (FIFRA-SAP) to review issues related to methods for efficacy testing of bed bug pesticide products.

Serving as judge, moderator and symposium organizer in scientific meetings

- Student competition judging and moderator in the International Congress of Entomology, Orlando, FL. Oct 25-30, 2016
- Member of organization committee for the 2016 National Conference in Urban Entomology, Albuquerque, NM. May 2016.
- Member since 2015 of the Southwestern Branch Awards Committee
- Organizer of two blood feeding symposia at the ESA Southwestern Branch meetings

Curriculum Vitae, Alvaro Romero

- Student competition judging in the Annual Meeting of the Entomological Society of America, Minnesota, MN. Nov 15-18, 2015
- Student competition judging in the Annual Meeting of the Entomological Society of America, Portland, OR. Nov 16-19, 2014
- Moderator of Medical, Urban and Veterinary 10-min session, Entomological Society of America Annual Meeting in Austin, Texas, November 10-13, 2013.
- Organizer of a bed bug symposium at the 2012 ESA Annual meeting, Knoxville, TN.

Journal editorial activities, grant and manuscript reviewer

- Editorial Review Board Member, Journal of Integrated Pest Management, Annapolis, MD (January 1, 2014 - Present).
- Reviewer of Grant Proposal, -OARDC Research Enhancement Competitive Grants Program, Wooster, OH, USA. (November 12, 2014 - December 19, 2014).
- Reviewer of manuscripts (25) for the following journals: Insects, Journal of Economic Entomology, Journal of Medical and Veterinary Entomology, Journal of Medical Entomology, Journal of Experimental Biology, and PLoS ONE.

Memberships in Professional Societies

Pi Chi Omega since 2008

Entomological Society of America – since 2003
