

"It's my way of contributing to greater sustainability in the dairy and food sectors."

Barenbrug USA is creating a Paid Internship Program for recent bachelor graduates and will train them in aspects of the grass seed business. The intern will be employed for a period of *12 to 15 months*, after which, if a position is available and the trainee is suitable for, a permanent position will be offered. We are an Oregon based seed company specialized in breeding, producing, and marketing turf grasses

and forage products. Barenbrug USA is part of the worldwide Royal Barenbrug Group which has been in the grass seed marketing business for over 114 years. In the US, the company services the professional turf and forage industry and exports to many countries abroad. Additionally, Barenbrug packages, markets, and sells grass seed into the Consumer Products segment of the Retail Market.

What you'll Be Doing

1. Grass Plant and Seed Research - Summer

- Conduct grass plant and seed morphological measurements for variety registration
- Assist in plant breeding activities
- Assist in harvesting, seed cleaning, and greenhouse planting
- Assist in nursery and plant maintenance

2. Marketing & Sales - Winter

- Involved in planning and implementation of the marketing program
- Liaison with advertising agency
- Preparation of publications
- Prepare and participate in tradeshow sales meetings
- Customer interface

3. Seedstock and Commercial Seed Production

- Assisting with the production and selection of seed stock
- Covering key aspects of seed production such as contracting, field monitoring, pre-harvest, harvest and seed cleaning process

4. Administration & Logistics

- Ordering and logistics process
- Safety and quality control

Requirements

We are looking for candidates who have completed their four year degree and have a demonstrated passion for agronomy and /or horticulture.

Remuneration

The Intern is paid as a permanent Barenbrug USA employee

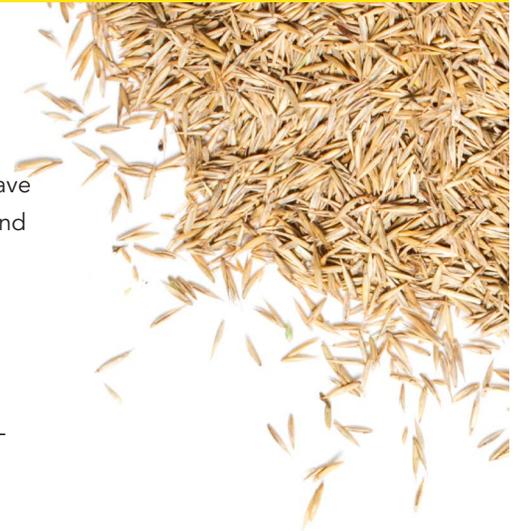

The Trainee Position is not a way of employing a person to do the less desirable jobs within the organization.

The Trainee is treated as an equal member of the team and, where applicable, is given responsibility for specific tasks or projects.

We are looking to develop a long term employee that fully understands the Barenbrug business model from development to the end customer.

To apply, send a cover letter and resume to: recruiting@barusa.com

Interviews will take place spring 2020

At the end of the program, you will have:

- A good understanding of the operations of Barenbrug USA as a market leader in the Global grass seed industry
- An understanding of their individual strengths and desired career focus
- Experience with an agricultural company that will assist with future career development
- The potential of a permanent position within Barenbrug USA

A little about us

We believe service starts with listening to you. Your challenges are our challenges. If you show us your needs and share your ambitions, we'll create the solution together.

Teamwork is our key to success. Together with our customers, research partners and distribution partners, we can achieve more. Because we know the whole is always greater than the sum of its parts. Because unique contributions allow us to excel, we invest in long-term partnerships. Did you know some of our customers have been with us for more than 50 years?
