Curry County 4-H Membership Requirements

4-H is open to ages 9-19. A youth must have passed their 9th birthday, but not their 19th birthday prior to January 1st of the current 4-H year to be considered eligible for membership.

Curry County 4-H members must maintain an "Active Membership" status prior to participation in 4-H Rodeo, County Contests, District and State Conference, or Junior Divisions of the Curry County Fair. An "active" member will be considered one who attends four (4) or more regularly scheduled meetings. Not more than two (2) meetings in any given month will count toward the membership requirement. Meetings count during the 4-H year which is October 1st through September 30th. The intent of this rule is not to punish inactive members, but rather to reward active members. Therefore, every effort should be made to provide opportunities for members to obtain an "active" status. 4-H Council officers cannot miss over seven (7) regular Council Meetings and retain that office.
