Here it is September and everyone is taking a BIG sigh of relief! Hopefully now that the kiddos are back in school the weather will finally start to cool off.

The Lea County Fair Community Booth and Flower Show were a success! We received a check in the amount of \$50.00 for our 2nd place Community Booth.

We had a new judge, Dorothy Duff, from Tijeras, NM. Many positive comments were heard concerning all that our 2019 Trainees learned from watching, listening and helping veteran master gardeners help the general public with their entries.

Comments the judge made following the judging were also quite helpful. Dorothy was quite pleased by how LCMG's separate the Divisions and Classes of the flowers judged, which made it easier for her.
