- **At least 10 market lambs**
- **At least 10 market swine**
- **At least 10 market goats**
- **1 Grand champion rabbit**

- **1 Grand champion turkey**
- **1 Grand champion cake**

Special Rules for the Junior Livestock Show and Sale

1. The Junior Livestock Show will be open to competition from any Luna County, NM exhibitor who is a bona fide member of a Luna County 4-H Club or the Deming FFA Chapter in good standing for the current program year.
The exhibitor must meet one or more of the following:
 - Schooled within the Deming Public Schools District.
 - A resident of Luna County and any animals exhibited must be raised in Luna County.
 - Livestock exhibitors may only exhibit livestock at one county fair or county expo. If you choose to exhibit at SWNMS Fair, you are choosing not to show at any other county expo or county fair. This includes Cloverbuds exhibiting rabbits and poultry. Since Southern New Mexico State Fair is a regional fair and the New Mexico State Fair is a state fair, it is acceptable to exhibit at these events.
2. Participants who show animals must be a Luna County 4-H or FFA member in good standing. If the entrant is unable to show their animal a qualified replacement must be approved by the Superintendent of the species.
3. Entries in each division will be divided into classes after weigh-in. A minimum of (4) four animals is required per class. If there are not (4) four animals, classes will be combined. The number of classes and the number of animals in the classes will be left to the discretion of the livestock committee.
4. A single exhibitor will NOT be limited as to the number of entries in each class; however, he or she WILL be limited in the sale to two (2) animals only.
5. In case of the death of a sale animal before the sale, exhibitors can replace the sale animal if they have another animal qualified to the sale (i.e., an animal that was pulled from the sale due to rule #4). If an exhibitor does not have a qualified replacement, the next animal in the class will be moved into the sale.
6. There will be no body-clipping of any livestock at the fairgrounds. Only touchups will be allowed. For example, leg-shaping on sheep, goats, and cattle is permitted. Touching up the top line on cattle is also permitted. There will be absolutely no clipping of hogs.
7. Appropriate ribbons will be awarded to prize-winning animals. Rosettes will be given to grand champion and reserve champion winners. Ribbons will be given to the top six (6) places in each class.
8. All steers, heifers, swine, lambs, and goats will be subject to veterinary inspection at the fairgrounds. Any animal not meeting veterinary approval must be removed.
9. Re-weigh: Any animal sifted for weight deserves ONE re-weigh, immediately after scales are balanced and before the animal leaves the scale area.
10. All livestock must be ear tagged by the Luna County Extension Agent, or Deming FFA Advisor. All livestock exhibited must comply with New Mexico Livestock Board Regulations.
11. All reservations must be made, and entry fees paid in accordance with the general rules for the livestock division.
12. Disposition of all livestock must be made known to the livestock Superintendent by 5:00 PM, Friday of fair week. Anyone who does not comply will be responsible for their own

animal(s). Animals not consigned to the packer will be released to the exhibitor only. Check out forms will be used for these purposes.

13. There will be a non-sale donation pool set up. Each exhibitor will receive donations for no more than two (2) non-sale animals.
 14. All livestock participants will be eligible for payment on a maximum of two (2) animals either through the sale or with non-sale money. The number will be decreased for every animal you have in the junior livestock sale. For example, if you have three (3) animals in the fair and one makes the sale, you are only eligible for non-sale money on one (1) other animal. If two (2) of your animals make the sale you are not eligible for non-sale money. Animals that are not eligible for show do not receive non-sale money.
 15. In case no rule appears to cover a situation, the livestock committee will make a rule and define its application for such a situation. The livestock committee will interpret all rules. Any request for exceptions must be presented to the livestock committee.
 16. An exhibitor, who, for the purpose of defrauding or misrepresentation, makes any fraudulent entry in the name of another exhibitor for the purpose of exhibiting, will be permanently barred from the show or any future participation in any event held in connection with the SWNMSF. Proof of ownership may be demanded at any time at the discretion of the livestock Superintendent.
 17. Each Superintendent will have charge of all assistants in his or her department. Each Superintendent shall also be responsible for receiving and crediting all entry fees for their respected departments.
 18. It shall be the duty of each Superintendent to inform the Judges in his or her department of the rules and regulations governing awards and urge them to read them carefully before judging.
 19. Each Superintendent is charged with caring for the Judge's books in his or her department. He or she must see that all awards are properly entered. Ribbons and tags are not acceptable for payment of awards. He or she must see that all Judges' books are properly signed. Only authorized fair personnel may inspect entry books. The Superintendent will submit a list of the winners to the office for publicity purposes.
 20. Each Superintendent is responsible for the final disposal of exhibits in his or her department.
 21. The Judges shall carefully read the general rules and all special rules under the heading of the department or class in which they are to serve, and especially note and mark those rules bearing on the classes to be adjudicated by them. Ignorance of rules is inexcusable with a Judge.
 22. Judges shall report to the Superintendent any exhibitor who in any way, whether in person or by agents or servants, interferes with them or shows any disrespect to them during judging. The Superintendent may, at his or her discretion, exclude them from further competition. The board may withhold from such an exhibitor any monies that have been awarded and expel them from further exhibiting at the fair.
 23. In judging livestock, the decision of the official Veterinarian and Judge, as to unsoundness, shall be final.
 24. The decision of the Judges shall be final in all cases, except where a mistake, fraud, misrepresentation, or collusion, not discovered at the time of award, is apparent.
- In

such cases the matter may be referred to the livestock committee, from whose decision there can be no appeal.

25. A classifier will be considered a Judge.
26. No animal which has previously been sold in any fair livestock sale may be entered in the junior market section.
27. Animals entered in the junior market section must have been owned and cared for by the exhibitor for at least 90 consecutive days immediately prior to the opening day of the fair, with the exception to the junior market steers which must have been owned 120 consecutive days. An agriculture teacher or county 4-H agent must sign entry forms verifying ownership for the required period.
28. Family nomination of ownership policy of all animals will be subject to immediate family members such as siblings.
29. Exhibitors must furnish their own feeding and watering equipment. They must keep their pens and surrounding area clean, and animals properly groomed at all times. If livestock is not properly cared for and fed, labor and all other necessary items will be supplied, and all costs thereof charged against the exhibitor. All sale money awarded to such exhibitor will be withheld under such circumstances to apply toward any expenses incurred. The minimum charge in this event will be \$50.00. The fair board reserves the right to refuse any entry in future years to an exhibitor who fails to give proper care to his or her animals until release. Exhibitors must place pen cleanings in the area designated by the fair management.
30. The exhibitor is responsible for livestock until delivery is taken by or for the buyer. Otherwise, sale is canceled, and payment is refunded to the buyer.
31. Custom slaughter stock is to be taken to the home of the exhibitor, if necessary, until the buyer is ready to receive it. Time will not exceed 30 days. The exhibitor must take proper care of his or her animal at that time.
32. The fair board will not be responsible for custom slaughter deals for non-sale animals, only for junior livestock sale animals and those designated for packer.
33. Arrangements for transportation to a packer will be made by the management; however, the management reserves the right to deduct any transportation charges from monies due to the exhibitor, if the exhibitor fails to deliver the animal to the packer. Each exhibitor is responsible for the care and safe delivery of his or her packer animal to a place designated by the Superintendent at a designated time. NO releases will be valid until packer animals are accounted for.
34. All packer payments and sale receipts will be made to the SWNMSF, and the fair will reimburse exhibitors.
35. In the event an exhibitor's animal is sold through the junior livestock sale, the exhibitor is responsible for the care, feeding and delivery of a healthy animal until release. If the buyer designated that the animal be sent to a local firm, exhibitors are required to give their full cooperation in seeing the animal is delivered to the designated place.
36. Animals consigned by buyers to the packer will be delivered to the board approved packers only.
37. All sale and non-sale packer animals will go to one packer and/or custom slaughter facility as designated by the fair board.

38. All animals brought to the fairgrounds must be intended for exhibition and thereby comply with all applicable rules. Violators of this rule will be subject to a hearing by the fair board and liable to immediate suspension from current and future fairs, and forfeiture of all privileges and monies received.
39. All livestock must be checked by New Mexico Livestock Board personnel upon arriving or leaving fairgrounds. No livestock will be released without written releases signed by appropriate division Superintendents.
40. The following are termed unethical practices: doctoring, doping or injecting show animals for body "fill-ins", or the alteration, changing, defacing, or any modification of the markings of show animals and the anatomical structure of an animal; the removal, alteration, changing, or purposely imaging of ear tags; external applications of such things as liniments and blistering agents that cause an edematous condition. Any exhibitor found guilty of the above listed unethical practices, or any practice deemed unethical by the fair board, will forfeit all monies, if any, over packer's bid; and the owner of the animal as well as the represented school or county personnel will be barred from future participation until such a time as reinstatement is made by the fair board.
41. All livestock exhibited must comply with current laws regarding feed additives. Exhibitors must sign any and all release forms required by State or Federal regulations. Should traces of drugs, hormones, or other substances be found in the carcass of livestock exhibited at this fair, and the carcass is condemned or discounted, the exhibitor will assume all resulting monetary loss.
42. No injection of any kind may be given except when directed by the official Veterinarian and supervised by a Superintendent. A blood test may be required of any animal suspected of having been injected with any prohibited drug or chemical compound, including diuretics. If such a test is negative the cost will be paid by the fair board. If the test is positive, the exhibitor will be required to pay the cost of the test, and all animals entered by the exhibitor will be disqualified from the fair. All monies will be withheld.
43. All animals will be exhibited subject to current regulations and quarantines imposed by the New Mexico Livestock Board.
44. Any exhibitor found in violation of the general or special rules described in the livestock section or of the general rules of the SWNMSF will cause disqualification of the exhibitor and withholding of all monies.
45. In judging for champion of breed, only first place animals in each class shall be considered. Only the second-place animals in the class from which the champion came from shall be included in the selection for reserve champion.
46. In judging for grand champion, only the champions of each class shall be considered. Only the reserve champion in the class from which the grand champion was selected shall be eligible to move up for reserve grand champion consideration.
47. Any exhibitor having an animal or animals entered in the sale is prohibited from seeking special privileges from buyers, such as asking permission to repurchase the animal from the buyer to be shown again or to be used for other purposes. In the event of this situation all sale monies awarded will be withheld.
48. In the event of questionable or disputed transactions, all sale, packer and awarded monies due to the exhibitor will be withheld until such a time as the fair board may

investigate and rule on the transaction. In the event a violation is found, the fair board will determine the necessary action.

49. Parents/siblings, 4-H leaders, Luna County Extension Agents, and Deming FFA Advisors are the only people allowed to assist members with animals. NO professional fitters allowed.
50. All junior livestock sale checks will be voided after 30 days from printed date of check. Check money will be used for scholarships for graduating seniors.
