Structure & Organization:

The Otero County Extension 4-H Agent with 4-H Shooting Sports Responsibilities is the Coordinator/Manager of the 4-H Shooting Sports Program.

The program is to be lead and instructed by NM State 4-H Certified 4-H Shooting Sports Leaders/Coaches in each of the respective disciplines. If a certified instructor is not available for a discipline, programs in that discipline are not available until a certified leader is in place.

At least one 4-H Certified Leader/Coach must be present to run the line at all county/club organized practices. Adult Volunteers are encouraged to provide assistance during county/club practices and competitions. Parents attending practices are encouraged to ask the certified leader if assistance is needed prior to practice starting.

Program Delivery:

An annual meeting will be held with the Extension 4-H Agent and NM State 4-H Certified 4-H Shooting Sports Leaders/Coaches to set and review county plans and policies, conduct county owned equipment inventory and county owned equipment checks, organize practice schedules and locations, and discuss county participation in district and state 4-H shooting events.

At the start of the new 4-H Program year, the Extension 4-H Agent will review the list of State Certified Leaders in each of the shooting sports disciplines and review county equipment and consumable needs.

Certified Leaders and adult volunteers will carry out practices, fundraising events, and assist with competitions, as approved by the Extension 4-H Agent/Coordinator with shooting sports responsibilities.
