LEADERSHIP RECORD

Development of leadership skills is an important part of the 4-H club program. In a leadership role, a 4-H'er assumes a definite responsibility and develops more skills and confidence as he or she advances in project work.

Examples of leadership in the shooting sports project would include:

- Teaching others about shooting sports through a club demonstration.
- Teaching or assisting a younger member with shooting techniques, safety, or equipment.
- Serving as a scorekeeper or junior range officer.
- Took the lead in setting up the shooting range for practice.
- Leading a shooting sports fundraising event.

SHOOTER'S JOURNAL

•							
shooti shooti	In order to make changes to better your shooting, it is important to record what you observed during your practice sessions and competitions. What were the shooting conditions and/or weather like? What adjustments could you make in your shooting position or with your equipment? How did you feel when you shot? What shooting discipline did you practice or compete in that day? (Use additional pages as needed)

	EXAMPLES						
Date:	November 15, 2018 Practiced prone position .22 rifle at county practice. Conditions were cold and windy, but sunny at 10:00 am. Scores were lower due to the weather conditions. Made adjustments in my shooting position and moved rifle sights two clicks to the right.						
	April 8, 2018 Competed in the County Rifle Competition at the District Contest. Conditions at 9:00 am were warm with a slight breeze. Scores were better at closest distance, but are improving at longer distance. Placed fifth in Smallbore .22 Rifle.
