

# CLOUD DOUGH SLIME

## INGREDIENTS

1 CUP OF CORN STARCH (A LITTLE EXTRA IF YOUR CONDITIONER IS MORE LIQUID IN CONSISTENCY)

½ CUP OF CONDITIONER

BOWL OR ZIPLOC BAG FOR MIXING IN/STORAGE

## WHAT TO DO

I USED A PLASTIC BAG AND MIXED MY INGREDIENTS TOGETHER. USING CORN STARCH MEANS A LOT OF MIXING FOR A GOOD CONSISTENCY. THE CORNSTARCH MAY SEEM LIKE IT IS TOO MUCH, BUT JUST KEEP MIXING IT TOGETHER. YOU CAN ADD MORE OF EACH TO MAKE IT THE SOFTNESS YOU WOULD LIKE. I MADE A BATCH SOFT LIKE PLAY DOH AND ANOTHER MORE FIRM FOR CUTTING OUT FUN SHAPES WITH COOKIE CUTTERS!

STORE IN A BAG FOR ADDED PLAY TIME!
