

San Juan TREX

Prescribed Fire Training Exchange

Sept 10 - 24, 2019

DESCRIPTION

Participants will serve in qualified and trainee firefighting positions on a burn team and will assist with preparing, scouting, briefing, igniting, holding, moping-up, and patrolling controlled burns.

Burns will primarily be conducted with the San Juan National Forest, however opportunities may also occur with other local agency and private land partners.

OBJECTIVE

Gain fire line experience, work on your task book, improve fire line leadership, and expand ecological fire knowledge at a Prescribed Fire Training Exchange in the San Juan Mountains of Colorado.

Trainee positions for anyone who wishes to participate are available, from beginning firefighter to RxB2 trainee.
