About Yourself: My name is Monica Argueta and I was born in El Paso, Texas. From a very young age, I discovered my love for animals and nature. Ever since, I have aspired to become a wildlife veterinarian.

Accomplishments/ Clubs/ other:

Block and Bridle Club

Range and Wildlife Club

Conservation Biology Club

Residence Hall Association

NRCT member

Dean's List

Skills:

Certified Veterinary Assistant I, CPR and AED certified, First Aid certified, animal handler, bilingual.

Career Experiences:

During my junior year in High School, I was accepted to the veterinary program my school offered as part of their health magnet. This allowed me to obtain internships and gain experience working with small, large, and exotic animals. I also volunteer for the Humane Society of El Paso, which inspires me to continue pursuing this career path.

Plans after Graduation:

I plan to apply to veterinary school after graduation and look for internships involving wildlife rehabilitation. I would also like to pursue a job inside a small or large animal practice.
