

Andres Osorio

Name: Andres Osorio

Hometown: Tularosa NM

School: New Mexico State University

Major: Wildlife Ecology

Exp. Graduation Date: May 2019

Email: andres96@nmsu.edu

About Yourself:

I grew up with a fascination for wildlife. I can remember, as a child, I would wonder around my yard curious of all the different insects and vegetation. That curiosity somehow stuck with me. I still maintain my fascination in wildlife and biology, and I am perusing a career involving wildlife conservation.

Career Experiences:

Eco-Servants

- Recreational Trail Maintenance

Yellow-Headed Parrot Project (Belize)

- Collected Nest Habitat Data

Tropical Insect Ecology Course (Peru)

- Collected Insect Specimens

Skills:

hiking, barbwire fence repair, hand tools, hand tool sharpening, manual transmission, water quality measurements, spectrometer analysis, population surveys, butterfly tagging, soil analysis, research methods development, research presentation, research poster building, collaborating in groups, GPS

Accomplishments/ Clubs/ other:

- Graduated High School with Honors
- Crimson Scholar
- President's Honor List fall 2014 to spring 2016
- Participant of Advancement for Minority Participation SCCORE program

Plans after Graduation:

Obtain a government position as Wildlife Biologist
