# Sarah Ramirez

Name: Sarah Ramirez

Hometown: El Paso, TX

School: New Mexico State University

Major: Horticulture

Exp. Graduation Date: Fall 2020

Email: srami240@nmsu.edu

About Yourself:

I chose horticulture as my path because I think that plants are the basis of many forms of life, my interests in horticulture focuses on conversation and restoration. I enjoy learning about different types of adaptations in plants and wildlife and how changing environments effect ecosystems.

Skills:

- Bilingual in English and Spanish.
- Proficient in Microsoft Office suite.
- Experience data mining biodiversity databases including SEINET, Tropicos, GBIF, and iNaturalist.
- Familiarity with plant collection techniques for preservation of plant museum specimens.
- Experience in Identification of Chihuahuan Desert plant species.
- Experience in different germination and propagation techniques.
- Attentive listener and quick learner.

Career Experiences:

Have worked as an Herbarium intern for 2 years where I have learned various museum standard protocols as well as research experience. I have also worked as a lab intern where I have had experience in the field of desert restoration, as well as wet lab experience.

Plans after Graduation:

Pursue a graduate degree in plant sciences.
