**Participation/Notecards**

Each student must ask questions at each visit. Prior to visit, students must have 2-3 questions written down on a notecard. After the visit, these questions must be answered on the notecard and turned in. Notecards can help write the visit summaries.

**Visit Summaries**

Each person will write ½ page or more (double space; 12 pt font) on each visit. Include 1) a summary of the visit, 2) what you learned from the visit and 3) the most interesting part of the visit to you. Summaries are due Dec 6.

**Final Exam**

Format TBD.

**Weeks without a scheduled visit**

Time will be used to catch up on notecards and summaries. Each student will be asked to visit a location that is managed by a turfgrass manager on their own or in a group. You must write a summary for these weeks too.
